To the Board of Port Commissioners,

Old Town Trolley Tours is excited to welcome the return of the Wonderfront Festival to the Port Tideland properties this year. In 2019, we partnered with the Festival, providing free shuttle service to attendees and Seaport Village shoppers. We found the management team to be open to working with us on the best possible solutions for a seamless service all while keeping every aspect of the festival activities in mind. In short, they were accessible, open-minded, and professional to work with.

The Wonderfront Festival will provide the opportunity to showcase our company's tours to tens of thousands of visitors including county residents. Festival-goers will also enjoy exposure to Seaport Village and Embarcadero Park's amenities, many for the first time. It has the potential to fuel our local economy for years to come.

Old Town Trolley Tours is looking forward to working with the Wonderfront Festival team this year on this fun and safe event and we're looking forward to once again being a proud sponsor.

Thank you for your consideration,

Jeanette Renning
