Hello Port Commissioners

I am John A. Borja, A member of the National City Chamber of Commerce, Board of Director, Former Chair of the Economic Development. As a member of the National City Chamber of Commerce our organization has always advocated for public access to the Bayfront for our residents in National City, The opportunities for our community presents so many options from hosting our community events such as the Mariachi Festival, The Bayside Brew and Spirits festival as well as locally organized events as a farmers market or local music event. Expanding the bayfront would allow local residents to enjoy recreational activities for personal boating/ marine, Bike lanes and public art displays.

After many years of waiting for the EIR reports to be available, We are optimistic the Commission will approve The National City Bayfront projects as well as the National City Balanced plan amendments.

Respectfully
Board member , National City Chamber of Commerce.

John A. Borja, AAI
