Harbor Island escape

Entire boat · San Diego

2 guests 1 bedroom 1 bed 1 bath

Enjoy amazing sunsets and sunrises as you stay on a small and relaxing boat at a quiet marina with amazing amenities located just a few minutes from downtown, beaches and more.

The space

Staying on a boat is a unique experience. Especially if that boat is in the heart of San Diego with 360 degrees of beautiful views.

Wake up to the sound of seagulls and go to sleep with the moon shining after an awesome sunset.

Also enjoy a bike ride on the bay just a few steps from the boat.

Sit outside on the boat and enjoy a glass of wine or a cup of coffee as you watch the sunset :) From a romantic getaway to a weekend escape this is the perfect experience!

Also let us know if you're celebrating a special occasion and we will try to make it extra especial!
