RE: Amendment to the Costal Development Permit CPD-2021-07
Sunroad HIE Hotel Project

I have contacted the Public Records Department and requested the information on the changes proposed to the Sunroad HIE Project. That information is being prepared but may not be available until later in April. The deadline to file objections is April 10.

Since the information on the changes is not available for review I am requesting a delay of 45 days for approval review to allow time to receive the change on the proposed amendment and understand the impact of the changes on the community.

I am a resident of the City of San Diego.

Thank You and with Respect.
