

**PORT OF SAN DIEGO**  
**Environmental Advisory Committee**  
**2023 Work Plan**

**Purpose of the Environmental Advisory Committee:**

Advise the Board of Port Commissioners on programs, policies and projects that will ensure the protection and improvement of the environmental conditions of San Diego Bay and surrounding tidelands.

**Port Compass Strategic Goals Supported by the Committee:**

- A Port that the public understands, trusts, and values.
- A Port with a healthy and sustainable bay and its environment.
- A Port with a comprehensive vision for Port land and water uses integrated to regional plans.
