3. USE

3.1 Permitted Use

The Premises shall only be used as follows and for no other purpose (the "Permitted Use"): Operation of a fast-casual restaurant. Any failure to comply with this Permitted Use clause shall constitute a default under this Lease and Tenant shall incur a fine of \$50.00 for the first occurrence and \$100.00 for each subsequent occurrence, such fine or fines to be added to Rent and paid by Tenant at the time of the next Rent payment. The Premises shall be open for business to the public 365 days per year from 10:00 am to 9:00 pm in the months of September through May and from 10:00 am to 10:00 pm in the months of June through August. Without limitation of the foregoing, at a minimum, the Premises shall be continuously open for business, appropriately staffed with personnel, on such days and for such hours as set forth in Section 3.2. Tenant acknowledges and agrees that said active and continuous use and operation enhances the value of the lands within the District's jurisdiction; provides needed public service; and provides additional employment, taxes, and other benefits to the general economy of the area.

3.4 Compliance with Laws

Tenant agrees that, in all activities on or in connection with the Premises, and in all uses thereof, including without limitation the Permitted Use and any construction of Tenant Improvements or the making of any Alterations, it will abide by and comply with, and cause Tenant Parties to abide by and comply with, all applicable Laws at Tenant's sole cost and expense, and the District shall not have any obligations or responsibilities to comply with any applicable Laws as to the Premises or any use thereby by Tenant. In addition, Tenant shall comply with and abide by such guidelines and requirements established by the District and/or the Property Manager from time to time pursuant to the terms of the Lease upon written notice by the District and/or the Property Manager to Tenant. Without limitation of the foregoing, any failure of Tenant to fully satisfy and fulfill the requirements and conditions under any Coastal Development Permit (CDP) (including any conditions of approval or mitigation measures or project changes pursuant to the environmental review conducted in pursuant to the California Environmental Quality Act (CEQA), codified at California Public Resource Code Section 2100 et. seq., and the CEQA Guidelines, codified at 14 California Code of Regulations Section 15000 et. Seq.) or any other California Coastal Commission (CCC) regulations or local, state or Federal requirements now or hereafter affecting the Premises or the Facilities including the use or development thereof shall constitute a default under this Lease.

In addition to any other applicable requirements, when Tenant is replacing equipment, Tenant shall use commercially reasonable efforts to replace it with the most energy efficient equipment that is feasible and California Energy Star rated or the environmental equivalent.

3.6 Waste or Nuisance

3.7 Reservations

The District reserves the right and power to grant easements and licenses on, over, under and across the Premises to others, and the right and power for the District and/or the Property Manager or the grantee to enter the Premises, for purposes such as constructing, installing, maintaining, repairing, replacing and removing utility systems and equipment and public improvements within the Premises. Should the District and/or the Property Manager so request, Tenant shall promptly join with the District and/or the Property Manager in the execution of such documents as may be requested by the District and/or the Property Manager to create or accommodate such grant. Tenant shall not be entitled to any monetary payment or other remuneration for any such future easements and rights-of-way.

3.8 Right of Entry

Landlord and its contractors, employees, Property Manager, and agents shall have the right to enter the Premises during business hours for any purpose upon twenty-four (24) hours' prior notice to Tenant. In exercising such right of entry under this Section, Landlord shall use commercially reasonable efforts to minimize any interruption to Tenant. In the event of an emergency, Landlord and its contractors, employees, Property Manager, and agents shall have the right to enter the Premises without prior notice to Tenant.

4. RENT

Tenant agrees to pay to the District Minimum Monthly Rent, Monthly Percentage Rent and/or Annual Percentage Rent (collectively, "Percentage Rent"), Tenant's Proportionate Share of Operating Expenses, and Additional Rent (collectively "Rent") in accordance with this Article 4. Tenant's obligation to pay Rent for its use and occupancy of the Premises during the term of this Lease shall begin on the earlier of a) Tenant's first day open for business to the public, or b) ninety (90) days after Tenant's receipt of all Necessary Approvals, as defined in Section 8, such that construction of the Initial Tenant Improvements can legally commence (the "Rent Commencement Date") and shall end on the Expiration Date set forth in Section 2, unless sooner terminated as herein provided.

Within thirty (30) days following the mutual execution and delivery of the Lease, Tenant shall submit the Development Service Project Application to District for District's approval in accordance with the review process. District shall endeavor to approve or disapprove the Development Service Project Application within thirty (30) days following receipt of the Application. Tenant shall submit plans and required documents to the appropriate municipal authorities for all applicable building permits necessary to commence and fully complete the construction of the Premises promptly following District's approval of the same [but in no event later than ten (10) business days following such approval].

Rent shall be payable in arrears by not later than the twentieth (20th) day of each month of the Lease Term. If the Rent Commencement Date is other than the first (1st) day of the month and therefore the Lease Term includes a partial calendar month, the Rent for such partial month shall be equal to the product of the Rent multiplied by a fraction, the numerator of which is the number of days in such initial partial month, and the denominator of which is thirty (30).

Tenant hereby acknowledges that late payment by Tenant to District of Rent and other sums due hereunder will cause District to incur costs not contemplated by this Lease. Accordingly, in the event Tenant is delinquent in remitting the Rent due in accordance with the Rent provisions of this Lease or if Tenant fails to render to District Tenant's monthly statement of Gross Sales in accordance with Section 4.2.1, Tenant shall pay, in addition to any unpaid Rent, five percent (5%) of the corresponding month's Rent. If Rent is still unpaid or Tenant's monthly statement of Gross Sales is still not submitted at the end of fifteen (15) days, Tenant shall pay an additional five percent (5%) [being a total of ten percent (10%)]. The parties hereby agree that said late charges are appropriate to compensate District for loss resulting from Rent delinquency and lack of necessary documentation including, without limitation, lost interest, opportunities, legal costs, and the cost of servicing the delinquent account. Acceptance of such late charges and any portion of the late payment by District shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent District from exercising any of its other rights and remedies. The Executive Director of District shall have the right to waive for good cause any late charges upon written application of Tenant for any such delinquency period.

All payments shall be delivered to the San Diego Unified Port District, Finance Department, 3165 Pacific Highway, San Diego, California, 92101. Checks must be made payable to the San Diego Unified Port District and can be hand delivered to the above address or mailed to the SDUPD Seaport Village Lockbox PO Box 840183 Los Angeles, CA 90084-0183. The designated place of payment and filing may be changed at any time by District upon ten (10) days' written notice to Tenant. Tenant assumes all risk of loss and responsibilities for late charges, as herein described, if payments are made by mail.

All payments by Tenant to District shall be by a good and sufficient check. No payment made by Tenant or receipt or acceptance by District of a lesser amount than the correct amount of rent due under this Lease shall be deemed to be other than a payment on account of the earliest rent due hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and District may accept such check or payment without prejudice to District's right to recover the balance or pursue any other available remedy.

4.1 Minimum Monthly Rent

The Minimum Monthly Rent shall be payable as part of Rent in equal monthly installments, beginning on the Rent Commencement Date. The Minimum Monthly Rent shall increase at the end of each Lease Year in accordance with the table below:

Lease Year	Minimum Annual Rent	Minimum Monthly Rent
1	\$ 63,000.00	\$5,250.00
2	\$ 64,890.00	\$5,407.50
3	\$ 66,836.70	\$5,569.73
4	\$68,841.80	\$5,736.82
5	\$70,907.05	\$5,908.92
6	\$73,034.26	\$6,086.19
7	\$75,225.29	\$6,268.77
8	\$77,482.05	\$6,456.84
9	\$79,806.51	\$6,650.54
10	\$82,200.71	\$6,850.06

4.2 Percentage Rent

If the Rent Commencement Date is other than the first day of the month and, therefore, the Lease Term includes a partial calendar month, the Monthly Percentage Rent for such partial month shall be calculated using the Monthly Gross Sales from the partial month that are in excess of the product of the Monthly Breakpoint multiplied by a fraction, the numerator of which is the number of days in such partial month, and the denominator of which is thirty (30).

Consistent with the above, and concurrently with the rendering of each monthly report of Gross Sales, as specified in Section 4.2.1 and 4.2.2, Tenant shall pay to District (1) the Minimum Monthly Rent and (2) any Monthly Percentage Rent due pursuant to this Section 4.2. Notwithstanding the above, Tenant's total annual rent to be paid shall be the total of (1) the Minimum Annual Rent and (2) Percentage Rent equal to 6% of the Annual Gross Sales in excess of the Annual Breakpoint ("Annual Percentage Rent"), as outlined in the table below (collectively, the "Annual Rent Due"). Within ninety (90) days after the end of each Lease Year, the District covenants to make its best efforts to reconcile the Minimum Monthly Rent and Monthly Percentage Rent that was paid by Tenant ("Total Rent Paid") as compared to the Annual Rent Due and will determine whether Tenant's Total Rent Paid is greater than or less than the Annual Rent Due. If Tenant's Total Rent Paid is less than the Annual Rent Due, District will invoice Tenant, and Tenant is responsible for remitting any outstanding rent amount to District. Tenant shall pay any outstanding rent within thirty (30) days of receipt of any invoice from the District. If Tenant's Total Rent Paid is greater than the Annual Rent Due, District will credit any such overpayment to Tenant.

Lease Year	Annual Breakpoint
1	\$1,200,000.00
2	\$1,236,000.00
3	\$1,273,080.00
4	\$1,311,272.40
5	\$1,350,610.57
6	\$1,391,128.89
7	\$1,432,862.76
8	\$1,475,848.64
9	\$1,520,124.10
10	\$1,565,727.82

If Tenant is not open for business during any portion of the first Lease Year (the 365 days following the Lease Commencement), due to any Tenant Improvements or other permitted reason for non-operation consistent with the terms of this Lease, the Annual Breakpoint shall be pro-rated to reflect the time (in number of days) Tenant was operating during the first Lease Year. For any such year, Tenant's Annual Percentage Rent shall be equal to 6% of the Annual Gross Sales in excess of the pro-rated Annual Breakpoint.

4.2.1 Statement of Gross Sales

On or before the 20th day of each month, Tenant shall render to District and/or the Property Manager, in a form reasonably prescribed by District (current form attached hereto as Exhibit E), a detailed report of Gross Sales for that portion of the calendar year which ends with and includes the last day of the previous calendar month ("Monthly Gross Sales") and a statement of the annual Gross Sales of Tenant within 30 days after the close of each calendar year. Such statements shall be in the form and certified in a manner acceptable to the District in its reasonable discretion, which form the District may revise from time to time. Such statement shall be certified as an accurate accounting of Tenant's Gross Sales by an authorized representative of Tenant. In addition, Tenant shall furnish to the District and/or the Property Manager a copy of Tenant's sales tax return (state and local sales, and use tax returns), with respect to the period covered by such statement. For the purpose of reporting Gross Sales, for any period during which Tenant does not continuously and uninterruptedly conduct its business as required by this Lease, Tenant's Gross Sales shall be deemed to be Tenant's Gross Sales for the corresponding period during the last year in which Tenant operated continuously and uninterruptedly, unless Tenant's Gross Sales during last year's corresponding period are less than that of the current period.

Gross Sales shall be calculated on a monthly basis and shall be based on the following categories of the gross income of the operations and businesses conducted on or from the Leased Premises:

- (1) rental of conference and banquet rooms and sale of related merchandise and services provided to conference and banquet room users (including gross income from recovery charges for materials, utilities, security, and similarly related accommodations, sales and services);
- (2) sale of food
- (3) sale of alcoholic and nonalcoholic beverages
- (4) sale of merchandise including, but not limited to, gifts, novelties, souvenirs, clothing, luggage, jewelry, cigars, cigarettes, candy, sundries, and incidentals of any kind;
- (5) any admission, cover, ticket sales, or other entertainment charges including vehicle or boat excursions;
- (6) rental of bicycles and other recreational equipment, and rental of recreational facilities;
- (7) sale of recreation lessons;
- (8) sale of any and all California State Lottery tickets;
- (9) rental of office space;
- (10) sale of merchandise and/or services through coin-operated vending or service machines or devices, including telephones, that are owned, rented, or leased by Tenant;
- (11) commissions and other compensation received for the right to install and operate coin-operated vending or service machines or devices, including telephones that are not owned, rented, or leased by Tenant;
- (12) any and all activities, operations, and enterprises permitted under the terms of the Lease and not otherwise addressed within the foregoing provisions;
- (13) any and all services or uses not permitted under the terms of the Lease and not otherwise addressed within the foregoing provisions.

4.2.2 Record of Gross Sales

Tenant shall keep full and accurate records, double entry books of account or other methods of account to be approved in writing by the District and other pertinent data of the Gross Sales and Gross Sales of any subtenant, licensee or concessionaire and such books and records shall be kept for a period of three (3) years after the close of each calendar year. Said records must be supported by source documents of original entry such as sales invoices, purchase invoices or other pertinent documents. In the event of admission charges or rents, Tenant shall issue serially numbered tickets for each such admission or rent and shall keep an accurate record of said tickets both issued and unissued. All of Tenant's books of account records and documentation related to this Lease or to business operations conducted within or from the Premises shall be kept either at the Premises or at such other locations as are acceptable to the District, and the District and/or the Property Manager shall have the right at any and all reasonable times to examine and audit said books and records without restriction for the purpose of determining the accuracy thereof

and of monthly statements of Gross Sales submitted and of the rent paid to the District. The District shall have the discretion to require the installation of any additional accounting methods or controls the District may deem necessary. In the event Tenant does not make available the original records and books of account at the Premises or within the limits of San Diego County, Tenant agrees to pay all necessary expenses incurred by the District and/or the Property Manager in conducting an audit at the location where said records and books of account are maintained.

Any information gained from such statements or inspection shall be confidential and shall not be disclosed other than to carry out the purposes hereof; provided, however, that District and/or the Property Manager shall be permitted to divulge the contents of any such statements in connection with any financing arrangements or assignments of the District's interest in the Premises or in connection with any public records requests or administrative or judicial proceedings in which the District and/or the Property Manager is involved and when the District and/or the Property Manager may be required to divulge such information.

4.2.3 Definition of Gross Sales

"Gross Sales" of Tenant, as used in this Lease, is the entire gross selling price of every kind and nature, from all merchandise, tickets, or services sold, leased, licensed, or delivered in or from the Premises by Tenant, whether for cash, or on credit or on barter or business exchange (whether collected or not), including the gross amount received by reason of orders taken on the Premises and through internet sales although filled elsewhere, and whether made by store personnel or vending machines (except for vending machines installed exclusively for use by Tenant's employees) or otherwise. Any transaction on an installment basis, including without limitation, any "lay-away" sale or like transaction, or otherwise involving the extension of credit, shall be treated as a sale for the full price at the time of the transaction, irrespective of the time of payment or when title passes. Gross Sales shall not include (or, as the case may be, deducting therefrom to the extent previously reported as a part of Gross Sales) the following:

- (a) The selling price of all merchandise returned by customers and accepted for full credit or the amount of discounts, refunds, and allowances made thereon, upon such return by customers;
- (b) Sums and credits received in the settlement of claims for loss of or damage to merchandise;
- (c) Goods returned to sources or transferred to another store or warehouse owned by or affiliated with Tenant;
- (d) Cash refunds made to customers in the ordinary course of business; and
- (e) Sales taxes, so-called luxury taxes and other similar taxes now or hereafter imposed upon the sale of merchandise or services, but only if collected separately from the selling price of merchandise or services and collected from customers and remitted to the taxing authority.

Gross Sales shall include all income and receipts of every kind and nature resulting from occupancy or use of the Premises in any manner by Tenant. Gross Sales shall include any manufacturer's or importer's excise tax included in the prices of the goods sold, even though the manufacturer or importer is also the retailer thereof, and it is immaterial whether the amount of each excise tax is stated as a separate charge. Bad debt losses shall not be deducted from Gross Sales. All sales originating at the Premises shall be considered as made and completed therein, even though bookkeeping and payment of the account may be transferred to another place for collection and even though actual filling of the sale or service order and actual delivery of the merchandise may be made from a place other than the Premises. Gross Sales shall also include sales made from a catalog, by internet, by telephone or other means of communication, and from stores, offices and/or warehouses not located on the Premises.

4.3 Tenant's Proportionate Share of Operating Expenses

Tenant's Proportionate Share of the Common Area Maintenance Expenses, Marketing Expenses, and any and all other charges and fees concerning the Shopping Center or the Premises (collectively hereinafter referred to as "Operating Expenses"), shall be estimated annually and assessed on a per Rentable Square Foot basis. Tenant's Proportionate Share of Operating Expenses per square foot shall be reconciled annually pursuant to Section 4.3.3 and may be adjusted periodically by the District on the basis of the District's reasonably anticipated costs. Tenant hereby waives any expressed or implied right to audit the

costs for Operating Expenses or Tenant's Proportionate Share of Operating Expenses. At Lease Commencement the Tenant's Proportionate Share of Operating Expenses shall be assessed in accordance with the table below:

Operating Expenses	Rentable Square Feet	Estimated \$\$ / SF	Estimated Proportionate Share (Annual)
Common Area Maintenance Expenses	700 SF	\$24.15 / SF	\$16,905
Marketing Expenses		\$6.48 / SF	\$4,536
TOTAL		\$30.63 / SF	\$21,441

District reserves the right to hire a property manager for the management and operation of the Shopping Center, in its sole and absolute discretion, to perform management and operations of the Premises based on certain terms and conditions, hereinafter referred to as "Property Manager."

4.3.1 Common Area Maintenance Expenses

The District and/or the Property Manager shall keep or cause to be kept the Common Area in a neat, clean and orderly condition, properly lighted and landscaped, and shall repair, maintain or replace as the District and/or the Property Manager shall deem necessary all equipment and facilities thereof, but all expenses in connection with the Common Area (hereinafter referred to as "Common Area Maintenance Expenses") shall be charged and prorated in the manner set forth in Section 4.3.3. To the extent the District and/or the Property Manager incur any of the following types of expenses, Common Area Maintenance Expenses as used herein shall include but not be limited to all sums expended (including financing costs, if any) for the utilities, janitorial, repairs and maintenance, lot and landscape, security, security consultant, real estate taxes, insurance and site office expenses of the Common Area, including without limitation the following items: the cost of management of the Shopping Center (whether such management services are provided by the District or a third-party contractor) (hereinafter referred to as "Management Fee Expense"), professional management services with respect to the Common Area; general maintenance and repairs; resurfacing; painting; restriping; cleaning; sweeping and janitorial services; exterior walls and faces of the buildings; maintenance and repair of sidewalks, curbs and Shopping Center signs; sprinkler systems, planting and landscaping; special effects in lighting and other utilities; Shopping Center transportation systems, shuttle buses, directional signs and other markers and bumpers; maintenance and repair of any fire protection systems, lighting systems, storm drainage systems and any other utility systems; personnel to implement any of the foregoing services including, if the District and/or the Property Manager deems necessary, the cost of security guards; land and personal property taxes and assessments on the improvements and land and water comprising the Common Area; costs, fees and expenses incurred by the District in connection with appeals of possessory Interest; real property taxes; merchandising audits; any governmental imposition or surcharge imposed against the District or assessed against any automobile parking areas or parking structure or any other portion of the Common Area; all costs and expenses pertaining to the security alarm system for the tenants in the Shopping Center, depreciation on maintenance and operating machinery and equipment (if owned) and rent paid for such machinery and equipment (if rented); security offices, and nonprofit community buildings as may be located in the Shopping Center from time to time; adequate public liability and property damage insurance on the Common Area and any other insurance deemed necessary by the District in settlement or payment of any claim or potential claim for damages relating to the Common Area, and attorneys' fees and costs incurred in defending against any such claims; fees for required licenses, permits or approvals; and all costs and expenses for maintenance and keeping of the waterways, fountains and piers; and public transit and carpooling facilities and charges.

Also included in the Common Area Maintenance Expenses shall be for the accounting, bookkeeping and collection of the expenses in connection with said Common Area (hereinafter "Administrative Fee"). The District may cause any or all of said services to be provided by an independent contractor or contractors. The parties hereto agree that the District need not itself directly manage or otherwise service all or any part of the Premises and the Shopping Center of which the Premises are a part but may cause such

management, maintenance and operation and other services to Tenant to be performed by the Property Manager.

If Tenant has paid to the District Tenant's Proportionate Share of real property taxes and assessments (including possessory interest taxes) on the improvements, land and water comprising the Common Area, under and pursuant to the terms and provisions of Article 4, Tenant shall not be required to pay for said taxes and assessments under the provisions hereof.

4.3.2 Marketing Expenses

Marketing and promotions for the Shopping Center (hereinafter referred to as "Marketing Expenses") shall be calculated separately from Common Area Maintenance Expenses and prorated as set forth in Section 4.3.3.

4.3.3 Method of Payment of Operating Expenses

Tenant shall pay to the District Tenant's Proportionate Share of Operating Expenses in the following manner:

- (a) From and after the Lease Commencement Date, Tenant shall pay to the District and/or the Property Manager, by not later than the twentieth (20th) day of each calendar month, an amount estimated by the District to be the monthly amount of Tenant's share of the Operating Expenses, which such initial amount is as set forth in Section 4.3. The estimated monthly charge may be adjusted periodically by the District on the basis of the District's reasonably anticipated costs.
- (b) Portions of the Shopping Center are, or may be, leased from time to time by various persons or entities occupying freestanding facilities or other facilities which maintain, repair and replace their own facilities and, consequently, contribute to the Operating Expenses on a basis other than that described herein (collectively, "Other Stores"). The contributions received from the Other Stores towards the Operating Expenses shall be credited against the total Operating Expenses and the balance thereof shall be prorated in the following manner: Tenant's Proportionate Share of the Operating Expenses shall be determined by multiplying the Operating Expenses that remain after applying the contributions paid by the Other Stores by a fraction, the numerator of which is the number of Rentable Square Feet in the Premises and the denominator of which is the number of square feet of Floor Area in the Shopping Center. Notwithstanding the foregoing, if certain costs are not attributable to all occupants and/or an occupant maintains a certain service, with the District's permission, at that occupant's own expense (for example, without limitation, water, trash pickup, roof maintenance, fire sprinklers, painting and HVAC maintenance), in such event, the District may, in District's sole and absolute discretion, establish alternative Operating Expenses pools and determine different shares, which may be in addition to or substituted for that described above, and which shall, provided the service or services are applicable to the Premises, be based on the ratio that the Rentable Square Feet of the Premises bears to the Rentable Square Feet of all of occupants of the Shopping Center to which a particular pool cost is attributable. The District may adjust the estimated monthly charge periodically on the basis of the District's experience and reasonably anticipated costs.
- (c) Following the end of each calendar year or, at the District's option, its fiscal year, the District and/or the Property Manager shall furnish to Tenant a statement covering the calendar or fiscal year (as the case may be) just expired, the actual Operating Expenses for that year, the total floor area of the Shopping Center, the amount of Tenant's Proportionate Share of the Operating Expenses for that year, and the total payments made by Tenant during that year for the Operating Expenses. If Tenant's share of the Operating Expenses exceeds Tenant's prior payments, Tenant shall pay to the District the deficiency within ten (10) days after receipt of such annual statement. If Tenant's payments for the calendar year exceed Tenant's actual share of the Operating Expenses, Tenant may offset the excess against payments of Operating Expenses next due the District. Upon termination of this Lease, If Tenant is not in default hereunder, the District shall refund to Tenant the amount of any excess, promptly upon the District's receipt of Tenant's request therefor.

4.4 Taxes and Assessments

Commencing with the Lease Commencement Date and continuing for the balance of the Term of this Lease, Tenant agrees to and shall pay before delinquency all taxes and assessments of any kind assessed or levied upon the Premises or of any buildings, machines, or other improvements of any nature whatsoever erected, installed, or maintained by Tenant or by reason of the business or other activities of Tenant upon or in connection with the Premises. Such additional amount for any partial year of the term hereof shall be prorated on a time basis. Tenant shall also pay any fees imposed by law for licenses or permits for any business or activities of Tenant upon the Premises or under this Lease.

- (a) This Lease may result in a taxable possessory interest and be subject to the payment of property and other taxes. To the extent Tenant is not required to pay any Tax Expense pursuant to Article 4 hereof, Tenant shall pay, prior to delinquency, all Tax Expenses attributable to any time period during the Term now or hereafter assessed against, or relating in any way to the Tenant, this Lease, the Premises, the Facilities, or the use or occupancy thereof by Tenant and Tenant Parties. Tenant shall promptly, following written request therefor from the District and/or the Property Manager, provide the District and/or the Property Manager with evidence of the payment of Tax Expenses. "Tax Expenses" shall include, without limitation, all federal, state, county, or local governmental or municipal taxes, fees, assessments, charges or other impositions of every kind and nature, whether general, special, ordinary or extraordinary, (including, without limitation, real estate taxes, possessory interest taxes, use taxes, general and special assessments, leasehold taxes or taxes based upon Tenant's receipt of rent, including gross receipts or sales taxes applicable to Tenant's receipt of rent, personal property taxes imposed upon the fixtures, machinery, equipment, apparatus, systems and equipment, appurtenances, furniture and other personal property used by Tenant in connection with the Premises) and any taxes and assessments relating to the business or other activities of Tenant upon or in connection with the Premises. Tax Expenses also shall include, without limitation:
 - (b) Any tax on the District's receipt of Rent, right to Rent or other income from the Premises;
 - (c) Any assessment, tax, fee, levy or charge in addition to, or in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, possessory interest tax or use tax or other Tax Expenses, and any assessments, taxes, fees, levies and charges that may be imposed by government agencies for services such as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants. It is the intention of Tenant and the District that all such new and increased assessments, taxes, fees, levies, and charges and all similar assessments, taxes, fees, levies and charges be included within the definition of Tax Expenses for purposes of this Lease; and
 - (d) Any assessment, tax, fee, levy, or charge, which is levied or assessed based upon the area of the Premises or the Facilities or the Rent payable hereunder, including, without limitation, any gross income tax upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof.

4.5 Reimbursement for Direct Tenant Expense

On or before the Lease Commencement date, Tenant shall pay the District the initial security deposit in the amount equal to the sum of two times the Minimum Monthly Rent plus one twelfth of the Tenant's Proportionate Share of Operating Expenses (\$8,036.75) (the "Security Deposit"). If Tenant defaults on payment of its last month's rent, it is in the District's sole and absolute discretion whether to apply the Security Deposit to the last month's rent.

No interest shall be paid on the Security Deposit. The District shall not be required to keep the Security Deposit separate from its other accounts, and no trust relationship is created with respect to the Security Deposit. All or any portion of the principal sum of the Letter of Credit shall be available unconditionally to the District for the purposes and uses provided herein. The bank, and the form and provisions of the Letter of Credit shall be acceptable to the District, in its sole discretion, and if not so acceptable, may be rejected. The Letter of Credit and Drawing Certificate shall not be acceptable if it requires the District to send written notice of default or request or demand payment from Tenant after default, prior to the District drawing on any funds under the Letter of Credit.

Notwithstanding the above, if said security deposit or the cumulative total amount of security deposits required by the District under this Lease does not exceed Twenty-Five Thousand Dollars (\$25,000), Tenant may elect to provide said security deposit in the form of check or cashier's check.

5.4 Adjustments

The amount of the security deposit shall be increased from time to time such that it maintains an amount equal to the sum of two times the Minimum Monthly Rent plus one twelfth* of the Tenant's Proportionate Share of Operating Expenses. Following any increase in Minimum Monthly Rent, Tenant shall submit the additional amount of security deposit within thirty (30) days of the increase in Minimum Monthly Rent.

5.5 Maintain Through Term

Tenant shall maintain the required security deposit continuously throughout the Term. The security deposit or the remaining portion thereof not used or applied by the District, shall be rebated, released, assigned, surrendered, or endorsed to Tenant or order, as applicable, within ninety (90) days following the expiration or earlier termination of this Lease.

District's sole obligation for costs and expenses of removal and relocation shall be the actual cost of relocating the Tenant and the reasonable moving costs of Tenant actually incurred in connection with the same. Tenant agrees that District's exercise of its election to remove and relocate Tenant shall not terminate this Lease or release the Tenant, in whole or in part, from the Tenant's obligation to pay the Rent and perform the covenants and agreements hereunder for the full Term of this Lease. The statement shall be sworn to and signed, under penalty of perjury, by Tenant or its responsible agent.

If Tenant does not receive the Necessary Approvals within ninety (90) from the Lease Commencement Date District shall have the right to terminate the Lease.

Tenant acknowledges and agrees that the halting of construction, once commenced, for more than twenty (20) consecutive days shall, unless expressly excused by the provisions of Section 8.2, be deemed a failure by Tenant to pursue the construction of the Initial Tenant Improvements to Completion and shall constitute a default under this Lease without further notice to or cure right by Tenant if Tenant does not resume

construction within ten (10) days of receipt of notice from the District and/or the Property Manager to perform the construction. The Initial Tenant Improvements shall be constructed in accordance, in all material respects, with the plans and specifications, including but not limited to the Necessary Approvals.

In order to extend the time for commencement or Completion of the Initial Tenant Improvements, Tenant must notify the District in writing within twenty (20) days of the commencement of any Force Majeure Event and describe in such notice the Force Majeure Event creating delay or interference, why such delay or interference is occurring, the expected duration of such delay or interference and the best efforts Tenant is taking to minimize the period of delay or interference. 13.7 Notices of Non-Responsibility

Nothing herein shall imply any consent on the part of the District and/or the Property Manager to subject the District's estate to liability under any mechanic's or other lien. Without limiting Tenant's responsibilities under Section 13.2 above, the District and/or the Property Manager and the District Parties shall have the right to enter upon and inspect the Premises at all times, without notice, and shall have the right to post and keep posted thereon notices of non-responsibility, or such other notices which the District and/or the Property Manager may deem to be proper for the protection of the District's interest in the Premises. Tenant shall, before the commencement of any work which might result in any such lien, give the District and/or the Property Manager written notice of its intention to commence such work in sufficient time (which in no event shall be less than the statutory period for posting notices of non-responsibility prior to the commencement of work) to give the District and/or the Property Manager adequate opportunity to post and record such notices.

14. PROHIBITION OF ASSIGNMENT AND SUBLETTING

Tenant acknowledges that District has entered into this Lease in reliance on the personal services and business expertise of Tenant. Tenant may not assign, sublet, mortgage, hypothecate, pledge, grant a right of first refusal or transfer any interest in this Lease, or in the Premises, in whole or in part without the prior written consent of the District, that may be withheld in the District's sole and absolute discretion. The following transactions are considered an assignment or sublease and not permitted without the prior written consent of the District: [i] an assignment by operation of law; [ii] an imposition (whether or not consensual) of a lien, mortgage, or encumbrance upon Tenants interest in the Lease; [iii] an arrangement (including, but not limited to, management agreements, concessions, licenses, and easements) which allows the use or occupancy of all or part of the Leased Property by anyone other than Tenant; and [iv] a change of ownership of Tenant.

15. DEFAULTS AND REMEDIES

15.1 Defaults

In addition to any terms hereof expressly providing for a default hereunder, the occurrence of any one (1) or more of the following events shall constitute a material default by Tenant hereunder:

15.1.1 Abandonment of the Premises

"Abandonment" is herein defined to include, but is not limited to, any absence by Tenant from the Premises for ten (10) consecutive days or longer.

15.1.2 Failure to Pay

Failure by Tenant to pay, when due, any Rent, other payment, and/or charge herein, is where such failure continues for a period of five (5) days after the date due.

15.1.3 Failure to Perform

Failure by Tenant to perform any express or implied covenants or conditions in this Lease (other than as provided in the other subsections in this Article 15), should such failure continue for fifteen (15) days after written notice thereof; provided that if the nature of such failure is such that the same cannot reasonably be cured within such fifteen (15) day period, Tenant shall not be deemed to be in default if it diligently commences such cure within such period and thereafter diligently proceeds to rectify and cure such failure, but in no event exceeding a period of time in excess of sixty (60) days after written notice thereof from District and/or the Property Manager to Tenant.

15.1.4 Bankruptcy Event

The occurrence of a Bankruptcy Event.

15.1.5 Specified Defaults

The occurrence of any event expressly stated to constitute a default under the Lease.

15.1.6 Health Rating

If the use of the Premises involves the sale and/or preparation of food, Tenant's failure to maintain a health department rating of "A" (or such other highest health department or similar rating as is available), which failure continues for more than ninety (90) days after the change in rating from the health department.

15.1.7 Other Agreements

Tenant or an entity that is Controlled as defined in the Addendum by or under common Control with Tenant or which Controls Tenant is in default (after applicable notice and cure periods) under any other agreement between the District and Tenant or such entity.

15.2 Remedies

Upon any default, the District may, in addition to all other rights and remedies afforded the District hereunder or by law or equity, take any one or more of the following actions:

15.2.1 Termination of Lease due to Default

In addition to the termination rights specified in Article 7, in the event of a Default, this Lease may be terminated by Executive Director of District or his/her duly authorized representative or Tenant as a matter of right, at any time upon the giving of thirty (30) days' notice in writing to the other party of such termination. Should the District terminate this Lease by giving Tenant written notice thereof, Tenant shall immediately surrender the Premises to the District. In the event that the District shall elect to so terminate this Lease pursuant to Section 15.2.1, then the District may recover from Tenant:

- (a) The worth at the time of award of any unpaid Rent which had been earned at the time of such termination; plus
- (b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such Rent loss Tenant proves reasonably could have been avoided; plus
- (c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant proves reasonably could be avoided; plus
- (d) Any other amount necessary to compensate the District for all detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including, without limitation, the cost of recovering possession of the Premises, expenses of reletting (including necessary repair, renovation and alteration of the Premises), reasonable attorneys' fees, and any other reasonable costs; plus
- (e) At District's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable California law.

As used in subparagraphs (a) and (b) above, the "worth at the time of award" is computed by allowing interest at the Default Rate. As used in subparagraph (c) above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

Failure by District to enforce one or more of the remedies herein provided upon a default shall not be deemed or construed to constitute a waiver of such default. Tenant hereby waives for Tenant and for all those claiming under Tenant all rights now or hereafter existing to redeem by order or judgment of any court or by any legal process or writ, Tenant's right of occupancy of the Premises after any termination of this Lease.

15.2.2 Continue Lease in Effect

The District may continue this Lease in effect after Tenant's breach and abandonment and recover Rent as it becomes due.

15.2.3 Perform Acts on Behalf of Tenant

The District and/or the Property Manager may perform any act Tenant is obligated to perform under the terms of this Lease (and enter upon the Premises in connection therewith if necessary) in Tenant's name and on Tenant's behalf, without being liable for any claim for damages therefor, and Tenant shall reimburse the District on demand for any expenses which the District and/or the Property Manager may incur in thus effecting compliance with Tenant's obligations under this Lease (including, but not limited to, collection costs and legal expenses), plus interest thereon at the Default Rate.

15.2.4 Increased Security Deposit

The District may require Tenant to increase the Security Deposit with an additional amount equal to three (3) months of the Minimum Annual Rent (which remedy may be exercised on more than one occasion with further increases in the Security Deposit on any subsequent default or any failure of Tenant to cure the default at issue within the time period set forth in Section 15.1.3).

15.2.5 Payment by Tenant

Upon any default, Tenant shall pay to the District all costs incurred by District and/or the Property Manager (including court costs and reasonable attorneys' fees and expenses and staff time) in: (1) obtaining possession of the Premises; (2) removing and storing Tenant's or any other occupant's property; (3) repairing, restoring, altering, remodeling, or otherwise putting the Premises into condition acceptable to a new tenant; (4) performing Tenant's obligations which Tenant failed to perform; and (5) enforcing, or advising the District of, its rights, remedies, and recourses arising out of the default.

15.2.6 Assignment of Plans and Other Matters

After the Lease Commencement Date, if this Lease is terminated or the District otherwise takes possession of the Premises by reason of Tenant's default, Tenant hereby agrees to reasonably cooperate with the District in seeking any consent from the preparer of any plans, drawings, specifications, permits, approvals, warranties, entitlements, and other similar property and instruments relating to the Premises, to the extent assignable, to this Assignment which may be required for the District to rely on such plans, drawings, specifications, permits, approvals, warranties, entitlements, and other similar property and instruments relating to the Premises.

16. BANKRUPTCY

In the event Tenant commences a proceeding under Chapter XI of the Federal Bankruptcy Act, or is adjudicated bankrupt or insolvent, or a judicial sale is made of Tenant's interest under this Lease, this Lease shall at the option of the District immediately terminate and all rights of Tenant hereunder shall immediately cease and terminate.

17. EMINENT DOMAIN

17.1 Eminent Domain

If all or any portion of the Premises shall be condemned pursuant to exercise of the power of eminent domain, or acquired under an actual threat of the exercise of such power (collectively, "Condemnation") the rights and obligations of the District and Tenant with respect thereto shall be as set forth in this Article 17. Nothing in this Article 17 shall be interpreted to prevent the District from exercising its power of eminent domain as to Tenant's leasehold interest and/or Premises.

17.2 Notice of Condemnation

If either party hereto receives notice of any Condemnation or intended Condemnation (including, without limitation, service of process), within five (5) business days of receipt, the party in receipt thereof shall deliver to the other party an exact copy of such notice of or relating to any intended Condemnation and the date such notice was received.

17.3 Representation of Interest

The District and Tenant shall each have the right to represent its respective interests in such proceeding or negotiation with respect to a Condemnation or intended Condemnation and to make full proof of its claims. The District and Tenant each agrees to execute and deliver to the other any instrument which may be required to effectuate or facilitate the provisions of this Article 17.

17.4 Early Termination due to Condemnation

In the event of a Condemnation of all of the Premises or such portion of the Premises so that Tenant cannot reasonably and economically use the remainder of the Premises for the purposes permitted under this Lease (as reasonably determined by Tenant and approved by the District in its sole discretion), this Lease shall terminate as of the date of such Condemnation. A termination of this Lease pursuant to this Section shall act to relieve Tenant from any further liability under this Lease except as to obligations accruing or arising on or prior to termination or which are otherwise required to be performed in connection with such termination or surrender of the Premises or which otherwise expressly survive termination. Tenant shall deliver the Premises to the District in the condition required for the surrender of the Premises under this Lease.

17.5 Partial Condemnation

If only a portion of the Premises is subject to Condemnation and this Lease is not terminated pursuant to Section 17.4 above, then this Lease shall continue in full force and effect upon the same terms and conditions as set forth herein, and the Minimum Annual Rent shall be reduced in proportion to the reduction in the value of the Premises after the Condemnation as compared to the value of the Premises immediately prior to the Condemnation (as reasonably determined by the District and approved by Tenant in its reasonable discretion).

17.6 Temporary Condemnation

If any portion of the Premises, including the entirety thereof, is subject to a temporary Condemnation, then this Lease shall continue in full force and effect and there shall be no adjustment or abatement in Rent during the term of such temporary Condemnation. Any portion of an award, settlement or other compensation or damages which may be given for such temporary Condemnation attributable to the Term shall be the property of Tenant and any portion attributable to any period following the expiration of the Term shall be the property of the District. As used herein, a "temporary Condemnation" shall mean any taking which is not intended by the condemning authority to be permanent at the time such Condemnation initially occurs.

17.7 Award

17.7.1 Leasehold Award

In the event of any Condemnation of all or any portion of the Premises (other than a temporary Condemnation), the District shall be entitled to any and all awards and/or settlements or other compensation or damages which may be given for (a) any "bonus value" respecting this Lease (i.e., the excess value of the leasehold arising from the fact that the scheduled rent is less than the market rent for the Premises), and (b) the land (and water, if applicable) comprising the Premises. Any and all other awards and/or settlements or other compensation or damages (collectively, "Leasehold Award") for Tenant Improvements constructed by Tenant and the leasehold estate created by this Lease (excluding any bonus value thereof) shall be paid as follows:

Provided this Lease is not terminated pursuant to Section 17.4 above, the Leasehold Award shall be payable in trust, and shall be disbursed for the payment of the costs of repairing and restoring the remaining portion of the Premises to substantially its value, condition and character prior to such Condemnation to the extent the same may be feasible. The trustee may disburse the progress payments in accordance with its normal disbursement procedures (e.g. upon receipt of appropriate mechanics' lien releases, invoices, etc.) so long as such disbursement procedures are reasonably acceptable to the District and ensure that the Leasehold Award is applied to the costs of repairing and restoring the Premises.

If this Lease is terminated pursuant to Section 17.4, or if there are excess proceeds available after completion of the repair and restoration of the Premises as provided above, then any portion of the Leasehold Award not used for the repair and restoration of the remaining portion of the Premises pursuant to subparagraph (a) above, or used to place the Premises in the condition required for the surrender of same to the District, shall be divided between the District and Tenant, with the District to receive a sum computed by multiplying such excess funds awarded with respect to such Tenant Improvement by a fraction, the numerator of which shall be the number of years (or portion thereof) of the Term that have, at the time of such Condemnation, expired, and the denominator of which shall be the total number of years in the full Term. The remaining amount shall be paid to Tenant.

Any remaining portion of the Leasehold Award after payment as described above shall be paid to Tenant. Notwithstanding the foregoing sentence, with respect to any Leasehold Award received in connection with any Condemnation for street widening or the installation of utilities, public sidewalks or walkways which occurs at any time following the Lease Commencement Date, and provided such Condemnation does not result in material physical damage to then existing buildings or driveways, parkway access or access ways serving the Tenant Improvements on the Premises located on the Premises, the District instead of Tenant, shall be entitled to receive, in addition to any award otherwise payable to the District pursuant to this Article 17, all of that portion of the Leasehold Award distributed to Tenant pursuant to this subparagraph (c).

17.7.2 Default

Anything in this Article 17 to the contrary notwithstanding, Tenant shall not be entitled to any funds, awards, rights, benefits or entitlement of any kind arising from or out of a Condemnation, except so far as is designated for damage to Tenant's personal property, if the same occurs during the period Tenant is in default under this Lease or after the District has exercised any remedy referred to in Section 15.2 above by reason of Tenant's default. Tenant shall be entitled to any award allocated by a court of competent jurisdiction to Tenant's personal property.

18. EQUAL EMPLOYMENT OPPORTUNITY/NON-DISCRIMINATION AND OFAC

prohibiting discrimination. This shall include without limitation, laws and regulations prohibiting discrimination because of race, color, religion, sex, national origin, ancestry, physical or mental disability, veteran status, medical condition, marital status, age, sexual orientation, pregnancy, or other non-job related criteria. In complying with all such Laws, including without limitation the ADA, Tenant shall be solely responsible for such compliance and required programs, and there shall be no allocation of any such responsibility between the District and Tenant.

18.2 Compliance with Employment and Labor Requirements

Tenant shall comply with the Federal Fair Labor Standards Act of 1938; the Federal Labor-Management Reporting and Disclosure Act of 1959; the Occupational Safety and Health Act of 1970; the California Constitution; and any other Laws now existing or hereinafter enacted, regarding employment and labor practices. Tenant shall also comply with the National Labor Relations Act, including the provisions with respect to the rights of employees to organize.

18.3 OFAC Compliance

Tenant represents and warrants that (i) Tenant and each Person owning an interest in Tenant is not now, and shall not during the term of this Lease become, a Person with whom the District or any citizen of the United States is restricted from doing business with under the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, H.R. 3162, Public Law 107-56 (commonly known as the "USA Patriot Act") and regulations promulgated pursuant thereto, or under any successor statutes or regulations, including, without limitation, persons and entities ("Prohibited Persons") named on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("OFAC") and/or on any other similar list pursuant to any authorizing statute, executive order or regulation, nor a Person (also, a "Prohibited Person") with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States, (ii) none of the funds or other assets of Tenant constitute property of, or are beneficially owned, directly or indirectly, by any Prohibited Person, (iii) no Prohibited Person has any interest of any nature whatsoever in Tenant (whether directly or indirectly), (iv) none of the funds of Tenant have been derived from any unlawful activity with the result that the investment in Tenant is prohibited by law or that the Lease is in violation of law, and (v) Tenant has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times.

It is agreed that any insurance proceeds in excess of Twenty-Five Thousand Dollars (\$25,000) resulting from a loss under said policies shall be payable jointly to the District and Tenant to ensure that said proceeds will be reinvested in rebuilding and/or repairing the damaged portions of the Premises and any damaged or destroyed improvements located thereon. All proceeds shall be disbursed in progress payments for the payment of the cost of repairing or restoring the property so damaged or destroyed. The specific manner of holding such proceeds and the method and conditions of disbursement shall be subject to the prior written approval of the District so as to ensure the application of such proceeds in compliance with this Lease.

(B) General Requirements

- i. All required insurance shall be in force the first day of the Term of this Lease, and shall be maintained continuously in force throughout the Term of this Lease. In addition, the cost of all required insurance shall be borne by Tenant. During the entire Term of this Lease, Tenant shall provide the District and/or the Property Manager with Certificates, in a form acceptable to the District, evidencing the existence of the necessary insurance policies and original endorsements effecting coverage required by this Paragraph. The Certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind insurance on its behalf. Notwithstanding the forgoing, the District reserves the right to require complete, certified copies of all required policies at any time.
- ii. All liability policies shall provide cross-liability coverage. All insurance policies shall be endorsed to state that coverage will not be suspended, voided, cancelled, or reduced in coverage or in limits, except after Tenant has furnished the District and/or the Property Manager with thirty (30) days' prior written notice by certified mail. All insurance policies shall be endorsed to state that Tenant's insurance is primary and not excess or contributory to any insurance issued in the name of the District. Further, all insurance companies must be satisfactory to the District.

- iii. Any deductibles or self-insured retentions must be declared and acceptable to the District. If the deductibles or self-insured retentions are unacceptable to the District, then Tenant shall have the option to either: (i) reduce or eliminate such deductibles or self-insured retentions with respect to the District and its officers, employees, and agents; or, (ii) procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.
- iv. The District shall retain the right at any time to review the coverage, form, and amount of insurance required herein. If, in the opinion of the District, the insurance provisions in this Lease do not provide adequate protection for the District and/or members of the public using the Premises or using services connected with Tenant's use or occupancy of the Premises, the District may require Tenant to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. The District's requirements shall be reasonable, but shall be designed to ensure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.
- v. The District may require that Tenant obtain and maintain additional or increased insurance from time to time. The District and/or the Property Manager shall notify Tenant in writing of changes in the insurance requirements. With respect to changes in insurance requirements that are available from Tenant's then-existing insurance carrier, Tenant shall deposit Certificates evidencing acceptable insurance policies with the District and/or the Property Manager incorporating such changes within sixty (60) days of receipt of such notice. With respect to changes in insurance requirements that are not available from Tenant's then-existing insurance carrier, Tenant shall deposit Certificates evidencing acceptable insurance policies with the District and/or the Property Manager, incorporating such changes, within one hundred twenty (120) days of receipt of such notice. In the event Tenant fails to deposit insurance Certificates as required herein, this Lease shall be in default without further notice to Tenant, and the District shall be entitled to exercise all legal remedies. Without limitation of the foregoing, Tenant agrees that if Tenant does not take out and maintain such insurance or furnish the District and/or the Property Manager with renewals or binders in a timely manner, the District may (but shall not be required to), procure said insurance on Tenant's behalf and charge Tenant the cost thereof, which amount shall be payable by Tenant within thirty (30) days of written demand with interest at the Default Rate from the date such sums are expended.
- vi. If Tenant fails or refuses to maintain insurance as required in this Lease, or fails to provide proof of insurance, the District has the right to declare this Lease in default without further notice to Tenant, and the District shall be entitled to exercise all legal remedies.
- vii. The procuring of such required policies of insurance shall not be construed to limit Tenant's liability hereunder, nor to fulfill the indemnification provisions and requirements of this Lease. Notwithstanding said policies of insurance, Tenant shall be obligated for the full and total amount of any damage, injury, or loss caused by negligence or neglect connected with this Lease, or with the use or occupancy of the Premises.
- viii. Tenant agrees not to use the Premises in any manner, even if use is for purposes stated herein, that will result in the cancellation of any insurance the District may have on the Premises or on adjacent premises, or that will cause cancellation of any other insurance coverage for the Premises or adjoining premises. Tenant further agrees not to keep on the Premises or Lease to be kept, used, or sold thereon, anything prohibited by any fire or other insurance policy covering the Premises. Tenant shall, at its sole expense, comply with all reasonable requirements for maintaining fire and other insurance coverage on the Premises.

20. INDEMNITY

Tenant hereby indemnifies and shall defend the District Parties, at Tenant's sole cost and expense and with counsel selected by the District, and hold the District Parties harmless from any and all claims (including claims under negligence and strict liability), demands, liability, losses, causes of actions and suits of any kind, administrative or judicial proceedings, orders, judgments, and all Related Costs arising directly or

indirectly out of (i) the performance by Tenant of its obligations under this Lease, (ii) the construction of any Tenant Improvements or Alterations, (iii) any breach by Tenant of its obligations under this Lease, (iv) any accident, injury or damage whatsoever caused to any Person or the property of any Person on or about the Premises, (v) the use, occupancy, possession or operation of the Premises by any Tenant Party, or any acts or omissions of any Tenant Party, except only claims or litigation arising through the sole gross negligence or sole willful misconduct of the District. The District, at its election, may conduct its own defense with its own counsel independent from Tenant's counsel (and in that event Tenant will select its own counsel) and the costs incurred by the District in such defense shall be covered by the foregoing indemnification, hold harmless and defense obligations and be subject to immediate payment once incurred. The terms of this Article 20 shall survive the expiration or earlier termination of this Lease. The foregoing indemnity obligations of Tenant are in addition to, and not in limitation of, any other indemnity obligations of Tenant contained in this Lease or otherwise.

21. DAMAGE OR DESTRUCTION

21.1 Casualty

In the event of any damage to or destruction of any Facilities, whether or not from a risk coverable by the insurance described in Article 19, Tenant shall promptly repair and restore such Facilities, in a manner approved in writing by the District, so that after such restoration and repair, the Facilities are at least as valuable and usable as immediately prior to such damage or destruction. Tenant shall be entitled to have any insurance policy proceeds held in trust with the trustee selected pursuant to Section 19.1, disbursed as progress payments as the work of repair, restoration or replacement progresses, to be used solely for paying for such work; and upon completion of such work free and clear of liens, any remaining balance of any insurance proceeds shall be paid to Tenant. To the extent that the insurance proceeds are insufficient to pay for the costs of repairing the damaged Improvements, Tenant shall pay such deficiency to the trustee for application to the restoration costs on or before the earlier to occur of (i) sixty (60) days from the date of such damage or destruction, or (ii) the date the insurer first makes available such insurance proceeds for repair, restoration or replacement. In the event Tenant fails to commence to repair, restore or replace the damaged Facilities within ninety (90) days of such damage or destruction or to diligently prosecute such work to completion, Tenant shall be deemed to be in default hereunder upon written notice thereof from the District and/or the Property Manager to Tenant and, in addition to any other remedies, the District shall be entitled to receive and retain such insurance proceeds to apply them to the repair, restoration and replacement of the Facilities. The provisions of Articles 8 and 9 shall apply to all work performed pursuant to this Article 21. Notwithstanding the foregoing, if Tenant is not able to obtain sufficient insurance proceeds (in the case of an insured casualty) or construction funds (in the case of an uninsured casualty) to commence repair, restoration or replacement of the damaged Facilities within ninety (90) days of such damage or destruction, and in the case of an insured casualty, Tenant has used its best efforts to so obtain such insurance proceeds, or in the case of an uninsured casualty, Tenant has used its best efforts to obtain sufficient construction funds, then Tenant shall have such additional time as is necessary to obtain such insurance proceeds or construction funds (but in no event to exceed one hundred eighty (180) days from the date of such damage or destruction) in which to commence to repair, restore or replace the damaged Facilities.

21.2 Casualty During the Last Part of Term

Notwithstanding Section 21.1 to the contrary, if there is damage or destruction to the Facilities during the last year of the Term (including all exercised options) and the cost of repairing said damage or destruction exceeds the cost of demolishing and removing the remaining Facilities as determined by the District in its reasonable discretion, then Tenant shall have the option to terminate this Lease, subject to Tenant's satisfaction of all of the following requirements: (a) Tenant shall, within ninety (90) days after the date of the casualty, give the District written notice of its election to terminate ("Notice of Election to Terminate"); and (b) Tenant shall, at the election of the District (which election shall be communicated in writing to Tenant ("Demolition Notice") within thirty (30) days of the District and/or the Property Manager's receipt of the Notice of Election to Terminate), raze and remove the damaged or destroyed Facilities and any other Facilities that the District may designate in the Demolition Notice and, if applicable, remediate the Premises,

and shall complete said demolition, removal and remediation and shall vacate the Premises within ninety (90) days of the District's delivery of the Demolition Notice (which vacation date shall fix the termination date of this Lease). Any and all property damage insurance proceeds (exclusive of any proceeds applicable to Tenant's personal property that would be retained by Tenant at the end of the Term) paid as a result of the damage or destruction giving rise to the termination, shall be distributed in accordance with the following order of priority: first, to the payment of the costs to raze and remove the Facilities as required above, and second, to the District all remaining insurance proceeds.

21.3 No Rental Abatement

Tenant shall not be entitled to any abatement or reduction in the Rent during any period of time that any Facilities located on the Premises are in need of repair, restoration or replacement or are under construction for such repairs, restoration or replacements or any other period of time during the Term of this Lease.

21.4 Waiver of Statutory Provisions

The provisions of this Lease, including this Article 21 constitute an express agreement between the District and Tenant with respect to any and all damage to, or destruction of, all or any part of the Premises or Facilities, or any other portion thereof, and any California statute or regulation, now or hereafter in effect, regarding the rights or obligations of a tenant concerning damage or destruction following a casualty event are waived and shall have no application to this Lease or any damage or destruction to all or any part of the Premises or Facilities as a result of a casualty event.

22. HAZARDOUS MATERIALS

Tenant shall comply with all Laws, including all laws regarding hazardous substances, materials or wastes, or petroleum products or fraction thereof (herein collectively referred to as "Hazardous Materials") relative to occupancy and use of the Premises. Tenant shall be liable and responsible for any Hazardous Materials arising out of the occupancy or use of the Premises by Tenant. Such liability and responsibility shall include, but not be limited to, (i) removal from the Premises any such Hazardous Materials; (ii) removal from any area outside the Premises, including but not limited to surface and groundwater, any such Hazardous Materials generated as part of the operations on the Premises; (iii) damages to persons, property and the Premises; (iv) all claims resulting from those damages; (v) fines imposed by any governmental agency, and (vi) any other liability as provided by law. Tenant shall defend, indemnify and hold harmless the District, its officials, officers, agents, and employees from any and all such responsibilities, damages, claims, fines, liabilities, including without limitation any costs, expenses and attorney's fees therefor. the District shall have a direct right of action against Tenant even if no third party has asserted a claim. Furthermore, the District shall have the right to assign said indemnity.

If Tenant has in the past or continues to use, dispose, generate, or store Hazardous Materials on the Premises, the District, or its designated representatives, at the District's sole discretion, may at any time during the term of this Lease, enter upon the Premises and make any inspections, tests or measurements the District deems necessary in order to determine if a release of Hazardous Materials has occurred. The District and/or the Property Manager shall give Tenant a minimum of twenty-four (24) hours' notice in writing prior to conducting any inspections or tests, unless, in the District's sole judgment, circumstances require otherwise, and such tests shall be conducted in a manner so as to attempt to minimize any inconvenience and disruption to Tenant's operations. If such tests indicate a release of Hazardous Materials, then the District, at the District's sole discretion, may require Tenant, at Tenant's sole expense, and at any time during the term of this Lease, to have tests for such Hazardous Materials conducted by a qualified party or parties on the Premises. If the District has reason to believe that any Hazardous Materials that originated from a release on the Premises have contaminated any area outside the Premises, including but not limited to surface and groundwater, then the District, at the District's sole discretion, may require Tenant, at Tenant's sole expense, and at any time during the term of this Lease, to have tests for such Hazardous Materials conducted by a qualified party or parties on said area outside the Premises.

Tenant shall expeditiously, but no longer than thirty (30) days after the District's request for such tests, furnish to the District the results of said tests, sampling plans, and analysis thereof identifying any Hazardous Materials which exceed then applicable levels permitted by federal, state, or local Laws. Tenant shall report such contamination to the District within seventy-two (72) hours and shall diligently proceed to identify the extent of contamination, how it will be remediated, when it will be remediated, by whom, and the cost of such remediation.

The terms of this Article 22 shall survive the expiration or earlier termination of this Lease.

23.2 No Warranties

The District makes no warranty, guarantee, covenant, including but not limited to covenants of title and quiet enjoyment, or averment of any nature whatsoever concerning the condition of the Premises, including the physical condition thereof, or any condition which may affect the Premises; and it is agreed that the District will not be responsible for any loss or damage or costs which may be incurred by Tenant by reason of any such condition or conditions.

23.3 Waiver and Disclaimer

Tenant hereby fully and forever waives, and the District hereby fully and forever disclaims, all warranties of whatever type or kind with respect to the Premises, whether expressed, implied or otherwise including, without limitation, those of fitness for a particular purpose, tenantability, habitability or use.

23.4 Survival

The terms of this Article 23 shall survive the expiration or earlier termination of this Lease.

24. QUITCLAIM OF TENANT'S INTEREST UPON TERMINATION

Subject to the terms of this Article 25 and Article 9, upon the expiration or earlier termination of the Lease, all Facilities, excluding Tenant Fixtures, installed or constructed on the Premises, shall become the property of the District and a part of the realty and shall be surrendered to the District. In order to confirm such transfer of ownership, at the District's request following the expiration or earlier termination of the Lease, Tenant shall deliver to the District a Tenant-executed quitclaim deed in recordable form conveying the Improvements to the District free and clear of any mechanic's or materialmen's liens and other encumbrances. Without limitation of the foregoing, Tenant hereby appoints the District as Tenant's attorney-in-fact to execute such deed in the name and on behalf of Tenant and may record same in the official records of San Diego County, California. This power of attorney is irrevocable and coupled with an interest.

25. PEACEABLE SURRENDER

Upon expiration of this Lease or earlier termination thereof, Tenant shall peaceably surrender the Premises to the District in a broom clean condition with all refuse removed and in as good condition and repair as the Premises were at the Lease Commencement, except for reasonable wear and tear, and except to the extent the District has elected to for Tenant to leave certain Tenant Improvements as directed by the District and/or the Property Manager pursuant to Article 9, and surrender the Premises in the condition required under this Article 25. If Tenant fails to surrender the Premises at the expiration of this Lease or the earlier termination or cancellation thereof in the condition required under this Lease, in addition to the District's other remedies, Tenant shall defend and indemnify the District from all liability and expense resulting from the delay or failure to surrender, including without limitation any succeeding tenant claims based on Tenant's failure to surrender or the District's failure to deliver the Premises.

26. WAIVER

Any waiver by a party of any provision of this Lease may only be in writing, and no express waiver shall affect any provision other than the one specified in such waiver and that one only for the time and in the manner specifically stated. No receipt of monies by the District from Tenant after the termination of this Lease shall in any way alter the length of the Term or of Tenant's right of possession hereunder or after the giving of any notice shall reinstate, continue or extend the Term or affect any notice given Tenant prior to the receipt of such monies, it being agreed that after the service of notice or the commencement of a suit or after final judgment for possession of the Premises, the District may receive and collect any Rent due, and the payment of said Rent shall not waive or affect said notice, suit or judgment. The District shall have the power and authority to waive any requirement of Tenant under this Lease except as such authority may be limited by the Port Act or BPC from time to time; provided, however, the District may elect to obtain approval of the BPC as a condition to exercising this authority.

27. HOLDOVER

This Lease shall terminate without further notice at expiration of the Term. Any holding over by Tenant after either expiration or termination without the District's written consent shall be a tenancy-at-sufferance upon all of the provisions of this Lease, except those pertaining to the Term. If Tenant, with the District's consent, remains in possession of the Premises after Lease expiration or termination, such possession shall be deemed a month-to-month tenancy terminable upon thirty (30) days' notice furnished at any time by either party to the other. All provisions of this Lease, except those pertaining to the Term, shall apply to the month-to-month tenancy, and Tenant shall continue to pay all Rent required by this Lease. Notwithstanding anything herein to the contrary, in no event may the Term of this Lease, together with any holdover period, exceed five (5) years.

Each of the provisions of this Lease shall extend to and shall, as the case may require, bind or inure to the benefit not only of the District and of Tenant, but also of their respective heirs or successors, provided this clause shall not permit any Assignment by Tenant contrary to the provisions of Article 14 of this Lease.

29.3 No Merger

If both the District's and Tenant's estates in the Premises become vested in the same owner (other than by termination of this Lease following a default hereunder), this Lease shall not be terminated by application of the doctrine of merger except at the express election of the District.

29.4 Recording

Unless the parties agree otherwise in writing no memorandum of this Lease shall be executed or recorded.

29.5 Transfer of the District's Interest

Tenant acknowledges that, subject to the Port Act and the oversight of the California State Lands Commission, the District has the right to transfer all or any portion of its interest in the Premises and in this Lease, and Tenant agrees that in the event of any such transfer, the District shall automatically be released from all liability under this Lease and Tenant agrees to look solely to such transferee for the performance of the District's obligations hereunder after the date of transfer. Each landlord hereunder shall be liable only for those obligations arising during its period of ownership and shall be released from further obligations upon any transfer. The liability of the District and any transferee of the District shall be limited to their respective interests in the Premises, as the case may be, and the District and such transferee shall be without personal liability under this Lease, and Tenant hereby expressly waives and releases such personal liability on behalf of itself and all persons claiming by, through or under Tenant.

29.6 Time of Essence

Time is of the essence with respect to this Lease and each of its provisions.

29.7 Partial Invalidity

If any term, provision or condition contained in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term, provision or condition to persons or circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and each and every other term, provision and condition of this Lease shall be valid and enforceable to the fullest extent possible permitted by law.

29.8 Entire Agreement

It is understood and acknowledged that there are no oral agreements between the parties hereto affecting this Lease and this Lease supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties hereto with respect to the subject matter hereof. This Lease contains all of the terms, covenants, conditions, warranties and agreements of the parties relating in any manner to the rental, use and occupancy of the Premises, shall be considered to be the only agreement between the parties hereto and their representatives and agents, and none of the terms, covenants, conditions or provisions of this Lease can be modified, deleted or added to except in writing signed by the parties hereto. All negotiations and oral agreements acceptable to both parties have been merged into and are included herein. There are no other representations or warranties between the parties, and all reliance with respect to representations is based totally upon the representations and agreements contained in this Lease. However, Tenant acknowledges and agrees that other documents may restrict Tenant's use of the Premises or impose other obligations not specifically referenced in this Lease including, but not limited to, conditions of approval of a CDP or mitigation measures under CEQA.

29.9 Joint and Several

If there is more than one Person constituting Tenant (i) the obligations imposed upon such persons or entities under this Lease shall be joint and several and (ii) the act or signature of, or notice from or to, any one or more of them with respect to this Lease shall be binding upon each and all of such persons and entities with the same force and effect as if each and all of them had so acted or signed, or given or received such notice.

29.10 Tenant's Authority

If Tenant is a corporation, partnership or limited liability company, each individual executing this Lease on behalf of Tenant hereby represents and warrants that Tenant is a duly formed and existing entity qualified to do business in the state in which the Premises is located and that Tenant has full right and authority to execute and deliver this Lease and that each Person signing on behalf of Tenant is authorized to do so.

29.11 Financial and Other Information Supplied by Tenant

Tenant represents and warrants that any financial or other information supplied by Tenant to the District regarding Tenant or any Guarantor (Exhibit D) prior to entering into the Lease or during the Term or regarding any Transfer, or to Tenant's actual knowledge, regarding any transferee, is true and accurate and not misleading in any material respect. The breach of this warranty shall be a default of this Lease by Tenant.

29.12 Attorneys' Fees

Should any suit or action be commenced to enforce, protect, or establish any right or remedy of any of the terms and conditions hereof, including without limitation a summary action commenced by the District under the laws of the state of California relating to the unlawful detention of property, the prevailing party shall be entitled to have and recover from the losing party reasonable attorneys' fees and costs of suit, including, without limitation, any and all costs incurred in enforcing, perfecting and executing such judgment.

29.13 Transaction Costs

To the extent Tenant requests any approval, consent or other action by the District (including, without limitation, in connection with any proposed Alterations, Financing Transaction or Transfer), Tenant shall pay or reimburse the District, upon written demand therefor, all of the District's attorneys' fees and other third party costs incurred by the District relating to the District's review, together with the District's then current processing or cost recovery fee for similar transactions consistent with any schedule of such fees then utilized by the District. The District will provide Tenant with a copy of any such fee schedule following written request therefor from Tenant. Such costs and fees shall be payable to the District whether or not the District grants such approval or consent, or undertakes the action requested by Tenant.

29.14 Governing Law

Venue for any legal proceeding shall be in San Diego County, California. This Lease shall be construed and enforced in accordance with the Laws of the State of California.

29.15 Brokers

Tenant shall be solely responsible for the payment of any fee or commission due to any broker and agrees to indemnify and defend and hold the District harmless from any and all claims, demands, losses, liabilities, lawsuits and costs and expenses (including without limitation reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing by the District.

29.16 Counterparts

This Lease may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same agreement.

29.17 Drafting Presumption; Review Standard

The parties acknowledge that this Lease has been agreed to by both the parties, that both the District and Tenant have consulted with attorneys with respect to the terms of this Lease and that no presumption shall be created against the drafting party. Any deletion of language from this Lease prior to its execution by the District and Tenant shall not be construed to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse of the deleted language. Unless otherwise specified in this Lease, any approval or consent to be given by the District may be given or withheld in the District's sole discretion.

29.18 Estoppel Statement

At any time and from time to time upon not less than fifteen (15) business days' notice by the District, Tenant shall execute, acknowledge and deliver to the District and/or the Property Manager or any other party specified by the District an estoppel statement certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same, as modified, is in full force and effect and stating the modifications) and the date to which each obligation constituting Rent has been paid, and stating whether or not the District is in default in performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying such default of which Tenant may have knowledge, and any other information regarding the Lease or Tenant's performance requested by the District.

29.19 Certified Access Specialist ("CASp")

For purposes of Section 1938 of the California Civil Code, the District hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises have not undergone inspection by a Certified Access Specialist ("CASp").
