RE: West Region Consumer Price Index for All Urban Consumers (CPI-U)  
General Rate Increase (GRI) – 2.5 percent

DATE: February 3, 2017

The Bureau of Labor Statistics has identified a 2.5% increase in the West Region Consumer Price Index (CPI-U) for the 12-month period ending December 2016. A link to the Bureau website with CPI details can be found [here](#).

Interested CAPA members will use this – or another local or regional index – as the “floor” when considering a general rate increase this year. CAPA member Ports also agreed to provide a minimum 30-day notice prior to implementation.
