Changes in and additions to this Tariff will be made by reprinting the page upon which the change or addition is made, and such page will be designated as revised page and will carry a "Correction" number in the upper right-hand corner.

Upon the receipt of a revised or new page, place a check mark opposite the "Correction" number (shown below), corresponding to the number shown in the upper right-hand corner of the revised pages. They will appear checked off in consecutive order with no omissions. If the check marks indicate that a "Correction" has not been received, a request should be made at once for a copy of the missing page.

<p style="text-align: center;">INTENT</p> <p>In accordance with the San Diego Unified Port District Act (California Harbors and Navigation Code, Appendix 1), the Board of Port Commissioners of the San Diego Unified Port District regulates vessels within San Diego Bay, including the establishment of pilotage charges for the Port of San Diego. The charges and conditions upon which piloting services are provided are contained herein. Authorized Pilots are to provide piloting services in an independent capacity and not as officers, employees, agents or independent contractors of the San Diego Unified Port District.</p>	0785
<p style="text-align: center;">PILOTS</p> <p>(a) The San Diego Unified Port District through the Board of Port Commissioners, has designated Authorized Pilots to perform piloting services to vessels entering, leaving or shifting within the Port of San Diego. Any vessel entering, leaving, or shifting within the Port of San Diego may, but is not required to, request the services of and be piloted by an Authorized Pilot. Such piloting services are to be voluntarily requested and voluntarily rendered in accordance with the terms set forth in this Tariff.</p> <p>(b) Upon boarding a vessel in response to the request of its master, owner or agent, it shall be the duty of each pilot to place his/her knowledge of San Diego Bay at the disposal of the vessel's master.</p> <p>(c) The safe navigation of the vessel, including piloting, is at all times the paramount duty of its master, and the presence of a pilot on the bridge shall in no way relieve the master of his/her duties. The master remains at all times in full command of the vessel; shall continue to navigate and shall take bearings and soundings, check compass courses, make radar observations, and take all actions necessary to safeguard the vessel under his/her command. In that regard, it shall be the duty of the vessel and its master:</p> <ol style="list-style-type: none"> (1) To have posted, and all times properly instructed, efficient and competent lookouts, each with no other duty to perform, and each with efficient means of rapid communication with the bridge. (2) To immediately inform the pilot of all reports by lookout. (3) On radar-equipped vessels, to have the radar functioning and manned by a competent observer under instructions to keep the mater and the pilot constantly and currently informed of observed targets. (4) To arrange for and provide adequate tug assistance, and to arrange for and have available adequate vessel's lines to assist in tying the tug or tugs. (5) For the master to remain on the bridge at all times and to accompany the pilot in his/her duties on and about the bridge. (6) To provide and supervise competent vessel's personnel. 	0790

PORT OF SAN DIEGO - TARIFF NO. 1-G SECTION XIII RULES & RATES PILOTAGE	2nd Revision Page 58 Issued: Expected July 16, 2014 Effective: November 1, 2014
FMC Subrule: 34.M	Correction No.: 40 Item No.

PILOTAGE RATES AND CHARGES
(CONTINUED FROM PAGE 64)

(b) Pilotage charges, as set forth in this Item No. 0800, are due and payable as they are incurred to the Authorized Pilots. All charges that remain due and unpaid for a period of thirty (30) days after incurrence shall be subject to a delinquency payment, payable to the pilots, equal to six one-hundredths of one percent (.06%) of said charges per day for each day from a date thirty (30) days after they are incurred until they have been paid.

(c) The pilotage charges assessed for the service proffered or rendered by an Authorized Pilot are assessed in accordance with and based upon each and every one of the limitations, agreements, covenants and conditions set forth in Item No. 0790. However, said pilotage charges do not include marine insurance, insuring the vessel from the consequences of negligence of the Authorized Pilot.

(d) Unless a request for a pilot is canceled not less than one (1) hour prior to the requested time, a charge will be assessed according to the following table:

Non-Cancellation Charge	
Effective August 1, 2014	
\$204196	

(e) If a pilot is required to stand-by in excess of one (1) hour, a stand-by charge will be assessed according to the following table in addition to the charges named herein in Paragraph (a) hereof:

Stand-By Charge	
Effective August 1, 2014	
\$204196	

(f) A pilot boat service charge will be assessed according to the following table for each vessel movement which involves use of the pilot boat. This per movement charge shall be paid into an account the proceeds of which shall be used only for payment of a replacement pilot boat. This per movement fee will be assessed for capital improvements, maintenance and training.

Pilot Boat Service Charge	
Effective August 1, 2014	
\$63	

(g) A pilotage charge per twelve (12) month period will be assessed to mega yachts for entering, leaving or intra harbor movements according to the following table. A mega yacht is defined as a pleasure craft of over three hundred (300) gross tons that is not carrying freight for hire and that has received a Pilotage Exemption with a qualified Master on board during any movement.

Mega Yacht Pilot Charge	
Effective August 1, 2014	
\$1,170	
1,125	

NOTE: The minimum charge for pilotage will be assessed according to the following table: Minimum Pilotage Charge

Effective August 1, 2014	
\$298286	

(h) Commencing August 1, 2014, annual pilotage rate increases will be based on the Producer Price Index (PPI) as published by the Bureau of Labor Statistics for the prior calendar year.

	<u>Item No.</u>
<p style="text-align: center;"><u>INTENT</u></p> <p>In accordance with the San Diego Unified Port District Act (California Harbors and Navigation Code, Appendix 1), the Board of Port Commissioners of the San Diego Unified Port District regulates vessels within San Diego Bay, including the establishment of pilotage charges for the Port of San Diego. The charges and conditions upon which piloting services are provided are contained herein. <u>Authorized Pilots are to provide piloting services in an independent capacity and not as officers, employees, agents or independent contractors of the San Diego Unified Port District.</u></p>	0785
<p style="text-align: center;"><u>PILOTS</u></p> <p>(a) <u>The San Diego Unified Port District through the Board of Port Commissioners, has designated Authorized Pilots to perform piloting services to vessels entering, leaving or shifting within the Port of San Diego. Any vessel entering, leaving, or shifting within the Port of San Diego may, but is not required to, request the services of and be piloted by an Authorized Pilot. Such piloting services are to be voluntarily requested and voluntarily rendered in accordance with the terms set forth in this Tariff.</u></p> <p>(b) <u>Upon boarding a vessel in response to the request of its master, owner or agent, it shall be the duty of each pilot to place his/her knowledge of San Diego Bay at the disposal of the vessel's master.</u></p> <p>(c) <u>The safe navigation of the vessel, including piloting, is at all times the paramount duty of its master, and the presence of a pilot on the bridge shall in no way relieve the master of his/her duties. The master remains at all times in full command of the vessel; shall continue to navigate and shall take bearings and soundings, check compass courses, make radar observations, and take all actions necessary to safeguard the vessel under his/her command. In that regard, it shall be the duty of the vessel and its master:</u></p> <p style="margin-left: 40px;">(1) <u>To have posted, and all times properly instructed, efficient and competent lookouts, each with no other duty to perform, and each with efficient means of rapid communication with the bridge.</u></p> <p style="margin-left: 40px;">(2) <u>To immediately inform the pilot of all reports by lookout.</u></p> <p style="margin-left: 40px;">(3) <u>On radar-equipped vessels, to have the radar functioning and manned by a competent observer under instructions to keep the mater and the pilot constantly and currently informed of observed targets.</u></p> <p style="margin-left: 40px;">(4) <u>To arrange for and provide adequate tug assistance, and to arrange for and have available adequate vessel's lines to assist in tying the tug or tugs.</u></p> <p style="margin-left: 40px;">(5) <u>For the master to remain on the bridge at all times and to accompany the pilot in his/her duties on and about the bridge.</u></p> <p style="margin-left: 40px;">(6) <u>To provide and supervise competent vessel's personnel.</u></p>	0790
