

**AGREEMENT BETWEEN  
SAN DIEGO UNIFIED PORT DISTRICT  
and  
EDCO DISPOSAL CORPORATION  
for  
SOLID WASTE AND RECYCLING COLLECTION, DISPOSAL,  
AND MANAGEMENT SERVICES  
AGREEMENT NO. 85-2018MA**

The parties to this Agreement are the SAN DIEGO UNIFIED PORT DISTRICT, a public corporation (District) and EDCO DISPOSAL CORPORATION, a California Corporation (Service Provider). The parties agree to the following:

1. **SCOPE OF SERVICES.** Service Provider shall provide services to satisfactorily comply with Attachment A, Scope of Services, attached hereto and incorporated herein, as requested by District. Service Provider shall keep the Executive Director of the District or their designated representative informed of the progress of said services at all times.
  - a. **As-Needed Services**
    - (1) Service Provider is aware that the services to be provided under this Agreement are on an as-needed basis as determined by the District. Service Provider may or may not receive a request to provide such services, and Service Provider may not receive the maximum expenditure of funds allocated for these services. No work or services will be performed until a Task Authorization (TA) has been signed by the District Representative.
    - (2) Service Provider shall furnish all technical and professional labor, and materials to satisfactorily comply with Attachment A: Scope of Services as requested by District by issuance of specific Task Authorization and agreed to by Service Provider.
    - (3) Services rendered under this Agreement shall be undertaken by Service Provider only upon issuance of a Task Authorization (TA) for said services, in the format as shown in the attached Exhibit A,

attached hereto and incorporated herein. A Task Authorization shall not be considered effective until the Task Authorization has been signed by the District's designated representative.

2. **TERM OF AGREEMENT.** This Agreement shall commence on July 1, 2018 and shall terminate on June 30, 2023, subject to earlier termination as provided below.
3. **COMPENSATION.** For performance of services rendered pursuant to this Agreement and as further described in Attachment B, Compensation and Invoicing, attached hereto and incorporated herein; District shall compensate Service Provider based on the following, subject to the limitation of the maximum expenditure provided herein:
  - a. **Maximum Expenditure.** The maximum expenditure under this Agreement shall not exceed \$1,400,000.00. Said expenditure shall include without limitation all sums, charges, reimbursements, costs and expenses provided for herein. Service Provider shall not be required to perform further services after compensation has been expended. In the event that the Service Provider anticipates the need for services in excess of the maximum Agreement amount, the District shall be notified in writing immediately. District must approve an amendment to this Agreement before additional fees and costs are incurred.
  - b. **Payment Procedure.** For work performed on an hourly basis, Service Provider agrees to assign the person with the lowest hourly rate who is fully competent to provide the services required. If Service Provider finds it necessary to have work, which would usually be performed by personnel with a lower rate, performed by personnel paid at the higher hourly rate, Service Provider shall nevertheless, bill at the lower rate.
  - c. **Progress Documentation.** Service Provider shall provide District progress reports in a format and on a schedule as District directs.

Progress reports shall include a description of work completed, cumulative dollar costs incurred, anticipated work for the next reporting period, percentage of work complete, and the expected completion date for remaining work. The report shall identify problem areas and important issues that may affect project cost and/or schedule. The report shall present actual percent completion versus planned percent completion.

4. **RECORDS**

- a. Service Provider shall maintain full and complete records of the cost of services performed under this Agreement. Such records shall be open to inspection of District at all reasonable times in the City of San Diego and such records shall be kept for at least three (3) years after the termination of this Agreement.
- b. Such records shall be maintained by Service Provider for a period of three (3) years after completion of services to be performed under this Agreement or until all disputes, appeals, litigation or claims arising from this Agreement have been resolved, whichever is later.
- c. Service Provider understands and agrees that District, at all times under this Agreement, has the right to review project documents and work in progress and to audit financial records, whether or not final, which Service Provider or anyone else associated with the work has prepared or which relate to the work which Service Provider is performing for District pursuant to this Agreement regardless of whether such records have previously been provided to District. Service Provider shall provide District at Service Provider's expense a copy of all such records within five (5) working days of a written request by District. District's right shall also include inspection at reasonable times of the Service Provider's office or facilities, which are engaged in the performance of services pursuant to this Agreement. Service Provider shall, at no cost to District furnish reasonable facilities and assistance for such review and audit. Service Provider's failure to provide the records within the time requested shall

preclude Service Provider from receiving any compensation due under this Agreement until such documents are provided.

5. **SERVICE PROVIDER'S SUB-SERVICE PROVIDERS**

- a. It may be necessary for Service Provider to sub-contract for the performance of certain technical services or other services for Service Provider to perform and complete the required services; provided, however, all Service Provider's Sub-Service Providers shall be subject to prior written approval by District. The Service Provider shall remain responsible to District for any and all services and obligations required under this Agreement, whether performed by Service Provider or Service Provider's Sub-Service Providers. Service Provider shall compensate each Service Provider's Sub-Service Providers in the time periods required by law. Any Service Provider's Sub-Service Providers employed by Service Provider shall be independent Service Providers and not agents of District. Service Provider shall insure that Service Provider's Sub-Service Providers satisfy all substantive requirements for the work set forth by this Agreement, including insurance and indemnification.
- b. Service Provider shall also include a clause in its Agreements with Service Provider's Sub-Service Providers which reserves the right, during the performance of this Agreement and for a period of three (3) years following termination of this Agreement, for a District representative to audit any cost, compensation or settlement resulting from any items set forth in this Agreement. This clause shall also require Service Provider's Sub-Service Providers to retain all necessary records for a period of three (3) years after completion of services to be performed under this Agreement or until all disputes, appeals, litigation or claims arising from this Agreement have been resolved, whichever is later.

6. **COMPLIANCE**

- a. In performance of this Agreement, Service Provider and Service Provider's Sub-Service Providers shall comply with the California Fair

Employment and Housing Act, the American with Disabilities Act, and all other applicable federal, state, and local laws prohibiting discrimination, including without limitation, laws prohibiting discrimination because of age, ancestry, color, creed, denial of family and medical care leave, disability, marital status, medical condition, national origin, race, religion, sex, or sexual orientation. Service Provider shall comply with the prevailing wage provisions of the Labor Code, and the Political Reform Act provisions of the Government Code, as applicable.

- b. Service Provider shall comply with all Federal, State, regional and local laws, and district Ordinances and Regulations applicable to the performance of services under this Agreement as exist now or as may be added or amended.
7. **INDEPENDENT ANALYSIS.** Service Provider shall provide the services required by this Agreement and arrive at conclusions with respect to the rendition of information, advice or recommendations, independent of the control and direction of District, other than normal contract monitoring provided, however, Service Provider shall possess no authority with respect to any District decision.
8. **ASSIGNMENT.** This is a personal services Agreement between the parties and Service Provider shall not assign or transfer voluntarily or involuntarily any of its rights, duties, or obligations under this Agreement without the express written consent of District in each instance.
9. **INDEMNIFY, DEFEND, HOLD HARMLESS**
- a. **Duty to Indemnify, duty to defend and hold harmless.** To the fullest extent provided by law, Service Provider agrees to defend, indemnify and hold harmless the District, its agents, officers or employees, from and against any claim, demand, action, proceeding, suit, liability, damage, cost (including reasonable attorneys' fees) or expense for, including but not limited to, damage to property, the loss or use thereof, or injury or death to any person, including Service Provider's officers, agents, subcontractors, employees, ("Claim"), caused by, arising out of, or related to the

performance of services by Service Provider as provided for in this Agreement, or failure to act by Service Provider, its officers, agents, subcontractors and employees. The Service Provider's duty to defend, indemnify, and hold harmless shall not include any Claim arising from the active negligence, sole negligence or willful misconduct of the District, its agents, officers, or employees.

- b. The Service Provider further agrees that the duty to indemnify, and the duty to defend the District as set forth in 9.a, requires that Service Provider pay all reasonable attorneys' fees and costs District incurs associated with or related to enforcing the indemnification provisions, and defending any Claim arising from the services of the Service Provider provided for in this Agreement.
- c. The District may, at its own election, conduct its defense, or participate in the defense of any Claim related in any way to this Agreement. If the District chooses at its own election to conduct its own defense, participate in its own defense or obtain independent legal counsel in defense of any Claim arising from the services of Service Provider provided for in this Agreement, Service Provider agrees to pay all reasonable attorneys' fees and all costs incurred by District.

## 10. **INSURANCE REQUIREMENTS**

- a. Service Provider shall at all times during the term of this Agreement maintain, at its expense, the following minimum levels and types of insurance:
  - (1) Commercial General Liability (including, without limitation, Contractual Liability, Personal Injury, Advertising Injury, and Products/Completed Operations) coverages, with coverage at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence Form CG 0001) with limits no less than one

million dollars (\$1,000,000) per Occurrence and two million dollars (\$2,000,000) Aggregate for bodily injury, personal injury and property damage.

- (a) The deductible or self-insured retention on this Commercial General Liability shall not exceed \$5,000 unless District has approved of a higher deductible or self-insured retention in writing.
  - (b) The Commercial General Liability policy shall be endorsed to include the District; its agents, officers and employees as additional insureds in the form as required by the District. An exemplar endorsement is attached (Exhibit B, Certificate of Insurance, attached hereto and incorporated herein).
  - (c) The coverage provided to the District, as an additional insured, shall be primary and any insurance or self-insurance maintained by the District shall be excess of the Service Provider's insurance and shall not contribute to it.
  - (d) The Commercial General Liability policy shall be endorsed to include a waiver of transfer of rights of recovery against the District ("Waiver of Subrogation").
- (2) Commercial Automobile Liability (Owned, Scheduled, Non-Owned, or Hired Automobiles) written at least as broad as Insurance Services Office Form Number CA 0001 with limits of no less than one million dollars (\$1,000,000) combined single limit per accident for bodily injury and property damage.
- (3) Workers' Compensation, statutory limits, is required of the Service Provider and all sub-consultants (or be a qualified self-insured) under the applicable laws and in accordance with "Workers' Compensation and Insurance Act", Division IV of the Labor Code of

the State of California and any Acts amendatory thereof. Employer's Liability, in an amount of not less than one million dollars (\$1,000,000) each accident, \$1,000,000 disease policy limit and \$1,000,000 disease each employee. This policy shall be endorsed to include a waiver of subrogation endorsement, where permitted by law.

- (4) Umbrella or Excess Liability insurance with limits no less than one million dollars (\$1,000,000) per occurrence and aggregate. This policy must provide excess insurance over the same terms and conditions required above for the General Liability, Automobile Liability and Employer's Liability policies.
- b. Service Provider shall furnish District with certificates of insurance coverage for all the policies described above upon execution of this Agreement and upon renewal of any of these policies. A Certificate of Insurance in a form acceptable to the District, an exemplar Certificate of Insurance is attached as Exhibit B and made a part hereof, evidencing the existence of the necessary insurance policies and endorsements required shall be kept on file with the District. Except in the event of cancellation for non-payment of premium, in which case notice shall be 10 days, all such policies must be endorsed so that the insurer(s) must notify the District in writing at least 30 days in advance of policy cancellation. Service Provider shall also provide notice to District prior to cancellation of, or any change in, the stated coverages of insurance.
- c. The Certificate of Insurance must delineate the name of the insurance company affording coverage and the policy number(s) specifically referenced to each type of insurance, either on the face of the certificate or on an attachment thereto. If an addendum setting forth multiple insurance companies or underwriters is attached to the certificate of insurance, the addendum shall indicate the insurance carrier or

underwriter who is the lead carrier and the applicable policy number for the CGL coverage.

- d. Furnishing insurance specified herein by the District will in no way relieve or limit any responsibility or obligation imposed by the Agreement or otherwise on Service Provider or Service Provider's sub-contractors or any tier of Service Provider's sub-contractors. District shall reserve the right to obtain complete copies of any of the insurance policies required herein.

11. **ACCURACY OF SERVICES.** Service Provider shall be responsible for the technical accuracy of its services and documents resulting therefrom and District shall not be responsible for discovering deficiencies therein. Service Provider shall correct such deficiencies without additional compensation. Furthermore, Service Provider expressly agrees to reimburse District for any costs incurred as a result of such deficiencies. Service Provider shall make decisions and carry out its responsibilities hereunder in a timely manner and shall bear all costs incident thereto so as not to delay the District, the project, or any other person related to the project, including the Service Provider or its agents, employees, or Sub-Service Providers.
12. **INDEPENDENT CONTRACTOR.** Service Provider and any agent or employee of Service Provider shall act in an independent capacity and not as officers or employees of District. The District assumes no liability for the Service Provider's actions and performance, nor assumes responsibility for taxes, bonds, payments or other commitments, implied or explicit by or for the Service Provider. Service Provider shall not have authority to act as an agent on behalf of the District unless specifically authorized to do so in writing. Service Provider acknowledges that it is aware that because it is an independent contractor, District is making no deductions from its fee and is not contributing to any fund on its behalf. Service Provider disclaims the right to any fee or benefits except as expressly provided for in this Agreement.

13. **ADVICE OF COUNSEL.** The parties agree that they are aware that they have the right to be advised by counsel with respect to the negotiations, terms and conditions of this Agreement, and that the decision of whether or not to seek the advice of counsel with respect to this Agreement is a decision which is the sole responsibility of each of the parties hereto. This Agreement shall not be construed in favor of or against either party by reason of the extent to which each party participated in the drafting of the Agreement. The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California.
14. **INDEPENDENT REVIEW.** Each party hereto declares and represents that in entering into this Agreement it has relied and is relying solely upon its own judgment, belief and knowledge of the nature, extent, effect and consequence relating thereto. Each party further declares and represents that this Agreement is being made without reliance upon any statement or representation not contained herein of any other party, or any representative, agent or attorney of any other party.
15. **INTEGRATION AND MODIFICATION.** This Agreement contains the entire Agreement between the parties and supersedes all prior negotiations, discussion, obligations and rights of the parties in respect of each other regarding the subject matter of this Agreement. There is no other written or oral understanding between the parties. No modifications, amendment or alteration of this Agreement shall be valid unless it is in writing and signed by the parties hereto.
16. **OWNERSHIP OF RECORDS.** Any and all materials and documents, including without limitation drawings, specifications, computations, designs, plans, investigations and reports, prepared by Service Provider pursuant to this Agreement, shall be the property of District from the moment of their preparation and the Service Provider shall deliver such materials and documents to District at the Don L. Nay Port Administration Building (located at 3165 Pacific Highway, San Diego, California 92101) whenever requested to do so by District. However, Service Provider shall have the right to make duplicate copies of such materials

and documents for its own file, or other purposes as may be expressly authorized in writing by District. Said materials and documents prepared or acquired by Service Provider pursuant to this Agreement (including any duplicate copies kept by the Service Provider) shall not be shown to any other public or private person or entity, except as authorized by District. Service Provider shall not disclose to any other public or private person or entity any information regarding the activities of District, except as expressly authorized in writing by District.

17. **TERMINATION**. In addition to any other rights and remedies allowed by law, the Executive Director (President/CEO) of District may terminate this Agreement at any time with or without cause by giving thirty (30) days written notice to Service Provider of such termination and specifying the effective date thereof. In that event, all finished or unfinished documents and other materials shall at the option of District be delivered by Service Provider to the Don L. Nay Port Administration Building (located at 3165 Pacific Highway, San Diego, California 92101). Termination of this Agreement by Executive Director (President/CEO) as provided in this paragraph shall release District from any further fee or claim hereunder by Service Provider other than the fee earned for services which were performed prior to termination but not yet paid. Said fee shall be calculated and based on the schedule as provided in this Agreement.

18. **DISPUTE RESOLUTION**

- a. If a dispute arises out of or relates to this Agreement, or the alleged breach thereof, and is not settled by direct negotiation or such other procedures as may be agreed, and if such dispute is not otherwise time barred, the parties agree to first try in good faith to settle the dispute amicably by mediation administered at San Diego, California, by the American Arbitration Association, or by such other provider as the parties may mutually select, prior to initiating any litigation or arbitration. Notice of any such dispute must be filed in writing with the other party within a reasonable time after the dispute has arisen. Any resultant Agreements

shall be documented and may be used as the basis for an amendment or directive as appropriate.

- b. If mediation is unsuccessful in settling all disputes that are not otherwise time barred, and if both parties agree, any still unresolved disputes may be resolved by arbitration administered at San Diego, California, by the American Arbitration Association, or by such other provider as the parties may mutually select, provided, however, that the Arbitration Award shall be non-binding and advisory only. Any resultant Agreements shall be documented and may be used as the basis for an amendment or directive as appropriate. On demand of the arbitrator or any party to this Agreement, Sub-Service Provider and all parties bound by this arbitration provision agree to join in and become parties to the arbitration proceeding.
  - c. The foregoing mediation and arbitration procedures notwithstanding, all claim filing requirements of the Agreement documents, the California Government Code, and otherwise, shall remain in full force and effect regardless of whether or not such dispute avoidance and resolution procedures have been implemented, and the time periods within which claims are to be filed or presented to the District Clerk as required by said Agreement, Government Code, and otherwise, shall not be waived, extended or tolled thereby. If a claim is not timely filed or presented, such claim shall be time barred and the above dispute avoidance and resolution procedures, whether or not implemented or then pending, shall likewise be time barred as to such claims.
19. **PAYMENT BY DISTRICT.** Payment by the District pursuant to this Agreement does not represent that the District has made a detailed examination, audit, or arithmetic verification of the documentation submitted for payment by the Service Provider, made an exhaustive inspection to check the quality or quantity of the services performed by the Service Provider, made an examination to ascertain how or for what purpose the Service Provider has used money previously paid on account by the District, or constitute a waiver of claims against the Service

Provider by the District. The District may in its sole discretion withhold payments or seek reimbursement from the Service Provider for expenses, miscellaneous charges, or other liabilities or increased costs incurred or anticipated by the District which are the fault of or as result of work performed or negligent conduct by or on behalf of the Service Provider. Upon five (5) day written notice to the Service Provider, the District shall have the right to estimate the amount of expenses, miscellaneous charges, or other liabilities or increased costs and to cause the Service Provider to pay the same; and the amount due the Service Provider under this Agreement or the whole or so much of the money due or to become due to the Service Provider under this Agreement as may be considered reasonably necessary by the District shall be retained by the District until such expenses, miscellaneous charges, or other liabilities or increased costs shall have been corrected or otherwise disposed of by the Service Provider at no expense to the District. If such expenses, miscellaneous charges, or other liabilities or increased costs are not corrected or otherwise disposed of at no expense to the District prior to completion date of the Agreement, the District is authorized to pay for such expenses, miscellaneous charges, or other liabilities or increased costs from the amounts retained as outlined above or to seek reimbursement of same from the Service Provider. It is the express intent of the parties to this Agreement to protect the District from loss because of conduct by or on behalf of the Service Provider.

20. **COMPLIANCE WITH PREVAILING WAGE LAWS (IF APPLICABLE)**

- a. Service Provider acknowledges and agrees that it is the sole and exclusive responsibility of Service Provider to: (a) ensure that all persons and/or entities (including, but not limited to, Service Provider or Subcontractors) who provide any labor, services, equipment and/or materials (collectively, "Services") in connection with any work shall comply with the requirements of California's and any other prevailing wage laws ("PWL") to the extent such laws are applicable and (b) determine whether any Services are subject to the PWL by obtaining a determination by means that do not involve the District.

- b. Certified Payrolls. Service Provider acknowledges and agrees that it is the sole and exclusive responsibility of the Service Provider to insure that all certified payrolls are provided to the District. Service Provider shall submit certified payrolls electronically via the software LCPtracker.
- (1) LCPtracker is a web-based system, accessed on the World Wide Web by a web browser. Service Provider will be given a Log-On identification and password to access the San Diego Unified Port District's reporting system upon Service Provider's request.
  - (2) The use of LCPtracker by the Service Provider is mandatory. Access to LCPtracker will be provided at no cost to the Service Provider.
  - (3) In order to utilize LCPtracker, the Service Provider needs a computer and internet access. A digital camera and a scanner may be useful. For more information, go to [www.lcptracker.com](http://www.lcptracker.com). To Login, go to [www.lcptracker.net](http://www.lcptracker.net) and from the homepage, select LOGIN and enter the Username and Password that will be provided to you by the District upon Service Provider's request.
  - (4) Use of the system will entail data entry of weekly payroll information including; employee identification, labor classification, total hours worked and hours worked on this project, wage and benefit rates paid etc. The Service Provider's payroll and accounting software might be capable of generating a 'comma delimited file' that will interface with the software.
  - (5) Service Provider must require all lower-tier sub participants the mandatory requirement to use LCPtracker to provide any required labor compliance documentation. Lower-tier sub participants will

be given a Log-On identification and password from the Service Provider.

- (6) Training options can be provided to the Service Provider upon request.

21. **SERVICE PROVIDER/CONTRACTOR REGISTRATION PROGRAM (IF APPLICABLE)**

- a. In accordance with the provisions of Labor Code section 1771.1. (a) A contractor or subcontractor shall not be qualified to bid on; be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.
- b. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- c. No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

- d. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
- 22. **CAPTIONS.** The captions by which the paragraphs of this Agreement are identified are for convenience only and shall have no effect upon its interpretation.
- 23. **EXECUTIVE DIRECTOR'S SIGNATURE.** It is an express condition of this Agreement that said Agreement shall not be complete nor effective until signed by either the Executive Director (President/CEO) or Authorized Designee on behalf of the District and by Authorized Representative of the Service Provider.
  - a. Submit all correspondence regarding this Agreement to:

The District has an existing waste characterization profile approved by the Otay Mesa Landfill, which is permitted to accept treated wood waste. The District will also work with any other landfill selected by the Service Provider for acceptance of treated wood waste provided that landfill is permitted to accept treated wood waste.

Service Provider shall track collection and report District specific results to the District Representative on a monthly basis. Service Provider shall provide clean, safe, and odor free dumpster and recycling bins in presentable condition as determined by the District Representative and with lockable lids and/or doors.

Service Provider shall provide all labor, supervision, materials, equipment and all related incidentals required to perform Solid Waste and Recycling Collection, Disposal, and Management Services.

While working on District property, the Service Provider's employees shall wear uniforms with appropriate company name and logo. Service Provider's vehicles shall be clearly marked with appropriate company name and logo.

## **B. Safety**

Service Provider shall abide by all local, state, federal, CAL/OSHA, OSHA, and District safety codes, policies, and procedures. Service Provider will be responsible for fines incurred if not in compliance with above regulations. Before the start of work, Service Provider shall post signs and provide barricades to safely protect the public. Service Provider shall remove all signs and barricades at the completion of the work. Service Provider shall follow current Caltrans traffic control guidelines when performing work as applicable. Service Provider shall provide required submittals to the District Representative. A list of submittals may be found in the Submittals Section of this Scope of Services.

1. Service Provider shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the performance of the services provided.
2. Service Provider shall give notices and comply with all applicable laws and regulations of any public body having jurisdiction for the safety of persons or property to protect them from damage, injury or loss, and shall erect and maintain all necessary safeguards for such safety and protection.
3. Material usage shall be accomplished with strict adherence to California Division of Industrial Safety, or other governing regulations, and all manufacturers' warnings and application instructions listed on the Safety Data Sheet and on the product container label.
4. Injury & Illness Prevention Program (IIPP): Service Provider shall prepare and submit to the District's Representative, one copy of their IIPP that addresses all the actions necessary to establish a safe working environment, prior to the commencement of on-site work. It is the Service Provider's responsibility to take all reasonable precautions to ensure the safety of the public and its employees and to comply with all federal, state, and local regulations. It is the Service Provider's responsibility to establish and maintain safe onsite working conditions for the duration of the project.

## C. Environmental

1. All San Diego Port District Tidelands are regulated under Regional Water Quality Control Board Order No. R9-2013-0001, National Pollutant Discharge Elimination System (NPDES) Permit No. CAS0109266, waste Discharge Requirements for Discharges of Urban Run-off from the Municipal Separate Storm Sewer Systems (MS4s) Draining the Watersheds of the County of San Diego, the Incorporated Cities of San Diego county, and the San Diego Unified Port (Municipal Permit), as adopted, amended, and/or modified. The Municipal Permit prohibits any activities that could degrade storm water quality. All service to be completed as part of the agreement must comply with all Municipal Permit requirements.
2. Service Provider shall comply with the Port's Stormwater Ordinance Article 10 of the District Code and District direction related to permitted activities including the following requirements:
  - a. No discharges of any material may enter the storm drain system or receiving water (San Diego Bay) including water, waste water, wash water, dust, petroleum products, soil or debris. Service Provider must immediately remove any such material that inadvertently enters the storm drain system and immediately notify District staff.
  - b. If any activity could potentially release materials to the storm drain system or the bay, the District's Representative must be notified prior to activity and appropriate protection of the storm drain system shall be implemented as described in the California Stormwater Best Management Practices Handbooks developed by the California Stormwater Quality Association ([www.cabmphandbooks.com](http://www.cabmphandbooks.com)), or the US EPA's Preliminary Data Summary of Urban Stormwater Best Management Practices ([www.epa.gov/waterscience/guide/stormwater/](http://www.epa.gov/waterscience/guide/stormwater/)). All storm drain protection systems must minimize the discharge of pollutants and be adequately maintained.
  - c. Any materials being stored which could release constituents by wind or run-off transport shall be protected by overhead cover, secondary containment, tarpaulins, or other appropriate methods.
  - d. Best Management Practices (BMPs) must be implemented to prevent water, wash water, and/or debris from being tracked or transported off of the service site.
  - e. Any fuel products, lubricating fluids, grease or other products and/or waste released from Service Provider's vehicles or

equipment, shall be collected and disposed of immediately in accordance with state, federal, and local laws.

- f. All job-site waste materials will be properly disposed of at the completion of service including unsalvageable materials that may have been in the storm drain conveyance system.
- g. Service Provider shall ensure that all employees are trained on the nature and implementation of the special provisions outlined above. This training shall include identifying the location of the storm drains on the job site, highlighting the proximity of the bay and the direct connection between the storm drain and the bay, and identifying all BMPs to be implemented to prevent the discharge of pollutants to the storm drain conveyance system or the bay.

District staff may conduct a storm water inspection to verify that BMPs are properly implemented at any time during the project. Additional BMPs may be recommended or required to eliminate or prevent discharges to the stormwater conveyance system or the receiving water.

#### **D. Execution**

Service Provider shall maintain sanitation of all solid waste and recycling receptacles to the satisfaction of the District Representative. Service Provider shall use water-tight and spill-proof receptacles and vehicles. Service Provider shall keep equipment in working order and in a presentable condition as determined by the District Representative. Equipment is subject to periodic inspection by the District Representative. Service Provider shall be responsible for any type of debris which may fall from Service Provider vehicles or from receptacles during the transfer to the Service Provider's vehicle and shall be responsible for the clean-up of same.

The Service Provider's plan of operation shall include a transition plan. This plan must include a description of the methods and actions that will be implemented to ensure a smooth transition in collection services from the current Service Provider, as well as transition to any new provider at the termination of Service Provider's agreement. The plan should provide a timetable for and details on the delivery and placement of collection containers.

##### **1. Solid Waste Services**

- a. **As Needed Dumpster Services** – As needed dumpster services shall be undertaken by the Service Provider only upon issuance of a Task Authorization issued by the District for said services. Service Provider shall not perform services until the District Representative provides a written Task Authorization specifically indicating the scope and negotiated cost for the as needed services. A Task Authorization shall not be considered effective

until the form has been signed by the District. The District does not guarantee a minimum amount of as needed dumpster services. See Exhibit A - Sample Task Authorization Form.

As needed dumpster services shall include pick up, delivery, and maintenance of front-loading and roll-off dumpsters for District activities.

- i. Scheduled Dumpster Services - Scheduled dumpster services shall include pick up, delivery, and maintenance of front-loading and roll-off dumpsters. Service Provider shall ensure all loose trash be collected from the inside of trash enclosures and hauled off site. The schedule will be set on a Task Authorization. Costs and fees for scheduled dumpster services shall be a fixed rate cost including pickup, delivery, tipping, fuel, landfill usage, tax and tax increases, equipment usage, permits, overload and maintenance. No additional costs shall be paid by the District.

Scheduled dumpster services shall include service and disposal for 3, 4, 5 and 6 yard front-loading and 10, 15, 20 and 40 yard roll-off dumpsters. Each dumpster shall be in presentable condition as determined by the District Representative and shall have lockable lids and/or doors.

- ii. Dumpster Containers - As requested by the District Representative, Service Provider shall provide 3, 4, 6, and 8 yard front-load dumpsters and 10, 15, 20 and 40 yard roll-off dumpsters in a presentable condition with lockable lids and/or doors to various District locations. Service Provider shall provide dumpsters color coded by material type, designated for specific materials. Service Provider shall provide concrete wash out dumpsters. Service Provider shall provide four (4) low-boy dumpsters with sides extending to no more than 3' 6" from the ground, with rolling roof lids. Service Provider shall provide four (4) 40 yard roll-off dumpsters with sliding lids that can be opened and closed by a single individual. Service Provider shall provide receipts of pick up and/or delivery of dumpsters to District Representative.
- iii. Fees for As Needed Dumpster Services - Costs and fees for as needed dumpster services shall include tipping, fuel, tax and tax increases, equipment usage, permits, overload and maintenance. Landfill fees associated with as needed dumpster services shall be reimbursed by the District as substantiated by Service Provider's receipt. Service Provider shall submit scale tickets with landfill invoices indicating the tonnage of refuse removed from the site in order to determine the total amount of

landfill disposal fees for each as needed dumpster. Service Provider shall weigh individual containers at the point of collection with an on-board fork scale and report the weight to the District Representative upon request.

b. **Solid Waste Work and Response Times**

Service Provider shall provide solid waste services that meet the following response times:

- i. Scheduled Service - All service scheduling shall be coordinated with the District Representative between the hours of 7:00 a.m. and 4:00 p.m., Monday through Friday. Scheduled services shall be performed between the hours of 7:00 a.m. to 4:00 p.m. on the days scheduled per location as stated in the Task Authorization. In the event of a holiday falling on a scheduled pickup, Service Provider shall provide solid waste services the following business day or date as directed by District Representative.
- ii. As Needed Services - When notified by the District Representative, Service Provider shall provide services onsite for all scheduled appointments including weekends, as indicated by the Task Authorization. Service Provider shall have an answering service or office personnel available during normal business hours to receive service request notifications.

Service Provider shall be responsible for the retrieval and disposal of all debris falling from the Service Provider vehicle at the time of occurrence or within thirty (30) minutes after notification by the District Representative.

- iii. Re-work - The District Representative shall inspect the quality of service and if required, Service Provider shall correct the service deficiencies at no additional cost to the District.

2. **Recycling Services**

- a. The District is seeking a comprehensive recycling program. Service Provider shall provide recycling services for commingled and contaminated recyclable material. Service Provider shall adhere to the plan of operation as submitted in their proposal and shall comply with all appropriate city, county, state, and other applicable ordinances. The plan shall detail, at a minimum, each aspect of the recycling program as follows:
  - Setup and implementation
  - Service and scheduling options

- Sample promotional materials and collection containers (data sheets and photos are acceptable in lieu of actual samples of collection containers)
- Collection methods and procedures
- Annual waste stream audit reports
- Data tracking methods and procedures
- Invoicing and revenue sharing methods and options
- Samples of any forms, documents, invoices, or reports that will be provided by the Service Provider.
- Educational and training programs that may be available.
- Annual Fiscal Year (July – June) tonnage report sent to the District by July 15<sup>th</sup>

**b. Recycling Reporting**

Service Provider shall develop and provide a written recycling report to address recycling by location, container, and commodity type on a monthly basis. Included in the reporting shall be a monthly report of contaminated recycled materials collected by the District in a separate container from public waste collection. The report shall capture all data within a calendar month, and shall be submitted electronically by the 15<sup>th</sup> of the following month.

**c. Locations**

Locations and frequency will be set in a Task Authorization, and are subject to change.

**d. Recycling Services Work, Response Times, Reporting and Management**

Service Provider shall provide recycling services that meet the following response times:

- i. Work involving the collection of recyclables from District facilities shall be performed during normal business days and hours, which for most facilities is Monday through Friday from 7:00 a.m. to 4:30 p.m. Work outside these times may be performed with prior approval from the District. The Service Provider shall not authorize employees or subcontractors to work outside the hours denoted herein without the prior consent and approval of the District.

- ii. In the event of a holiday falling on a scheduled pickup, Service Provider shall provide recycling services the following business day. No collection of recyclables or other services shall be performed inside District facilities on the following District holidays. (Exhibit D)
- iii. Service Provider shall be responsible for the retrieval and disposal of all debris falling from the Service Provider vehicle at the time of occurrence or within thirty (30) minutes after notification by the District Representative.
- iv. Currently, the recycling materials are collected at the various facilities and sorted and weighed. This information shall be reported to the District on a monthly basis via email. The data must be cumulative, meaning the report includes information from previous months, using the July-June Fiscal Year as the overall reporting period for each Term's data set. It is anticipated that the Service Provider incorporate similar reporting techniques into their reporting plan

This data reporting provided in the plan should include, at a minimum, overall diversion rates of recycling vs. trash to the landfill. Additional detail including a breakdown of types of recyclables in the recycling stream (i.e. waste audits) would be useful and should include, but is not limited to:

Current Recycling Materials – Service Provider shall track the following recycled materials. Each waste stream shall be weighed separate from other waste streams tracked as recycled materials, and reported as such.

- Recyclable materials (newspaper, paper, cardboard, mixed metal, plastics, glass, aluminum cans, etc.)
- Universal waste, (light bulbs, batteries of all types, miscellaneous u-waste)
- Electronic waste (monitors, TVs and miscellaneous e-waste)
- Used tires (to a state permitted facility)
- Treated wood waste
- Organic waste

Green Waste Tracking - Service Provider shall track green waste and recycle it accordingly. The amounts of green waste shall be weighed separate from other waste streams tracked as recycled materials, and reported as such.

Street Sweeping – Debris collected from street sweeping should be deposited into waste collection areas (or bins) so that the tonnage of materials compiled street sweeping

efforts can be reported separately from the overall waste stream.

Clean-up Events – Dumpsters dedicated for special projects or clean-up events shall be weighed and reported separately from the District's regular solid waste stream.

- v. Service Provider shall partner with the District to educate employees, tenants, and the public on best recycling and waste reduction practices. Service Provider shall make educational materials available for District use.

### 3. **Waste Audits**

Service Provider shall conduct an annual waste audit of the District's solid waste and recycling program. The audit shall be conducted annually and be used to determine (1) if the District is meeting its required diversion targets and waste handling requirements, (2) establish a baseline for specific waste type and recycled materials, and (3) identify improvements to the program. At a minimum, the audit shall:

- a. Track contract performance
- b. Identify changes in service, where applicable (i.e. more or less dumpster and recycling service)
- c. Be completed in a manner that recycling efforts can be reported to the public in annual reporting (e.g. Year in Review)
- d. Identify facilities having the potential to increase recycling and recommend appropriate actions the District may consider
- e. Identify the need for educational campaigns focused on specific types of waste
- f. Inform waste management planning in the future
- g. Provide a written, detailed report of the analysis and recommendations to the District within one month of completing the annual Waste Audit

### **E. Submittals**

Service Provider shall provide the following submittals to the District Representative, prior to the commencement of work.

- 1. Permits - Service Provider shall obtain all permits incidental to the service, or made necessary by its operation, including those permits required for

night service, overload and equipment, and pay all fees and costs incurred for and by the permit requirements. However, Service Provider shall not be entitled to reimbursement from the District for said fees and costs.

2. Equipment List - Service Provider shall submit, for District Representative's approval, a list of all motorized equipment proposed for use under this agreement. No motorized equipment shall be used by Service Provider under this agreement until the equipment is approved in writing by the District Representative.
3. Safety Data Sheets (SDS) – Service Provider shall furnish three copies of the SDS for all chemicals used on District properties.
4. Injury and Illness Prevention Program (IIPP) - Service Provider shall provide one (1) copy of the IIPP that addresses all the actions necessary to establish a safe working environment.

#### **F. Security Background Check and Badging**

The District may require Service Provider's personnel to pass a security background check and wear a badge while on District property. Service Provider's personnel who do not initially pass the security check, or who subsequently have their security clearance withdrawn for any reason, shall not service in support of this agreement.

The District reserves the right to limit the number of employees for security background check and badging. Service Provider shall submit to the District Representative within a minimum of seventy-two (72) hours a list of employees with security and badging clearance and maintain an updated list. Service Provider shall return all badges of terminated or terminating employees within seventy-two (72) hours of notice.

Service Provider shall comply with all local, state, federal, and District codes, policies and procedures. Service Provider shall abide by all security requirements incidental to the service or made necessary by its operation.

**Transportation Workers Identification Credential (TWIC)** - Service Provider's personnel that render services on secure areas of District facilities must obtain and present a TWIC for entry to secure areas at: Tenth Avenue Marine Terminal, National City Marine Terminal, B Street Pier and Broadway Pier facilities.

An individual must provide biographic and biometric information such as fingerprints, sit for a digital photograph and successfully pass a security threat assessment conducted by the US Department of Homeland Security, Transportation Security Administration.

Service Provider shall pay all fees and costs incurred for and by the security requirements including TWIC. Service Provider shall not be entitled to reimbursement from the District for said fees and costs.

Additional information pertaining to the TWIC requirement is also available in the US Department of Homeland Security, Transportation Security Administration website, [www.tsa.gov/twic](http://www.tsa.gov/twic).

## **G. Deductions**

If Service Provider fails to meet an as needed response time as stated in a signed Task Authorization, Service Provider agrees to a five percent (5%) deduction off the Task Authorization. If the Service Provider fails to meet a scheduled pick up as stated in the fee schedule, Service Provider agrees to a five percent (5%) deduction off the total fixed monthly invoice for scheduled services. If the failed pick up is the result of District Operations beyond the Service Provider's control, no deduction will be applied. If Service Provider fails to comply with any aspect of the required scope of services, a five percent (5%) deduction of the Task Authorization or monthly invoice may be applied. Deductions will be at the discretion of the District Representative based on validation of the circumstances.

## **H. Damages**

Service Provider shall replace dumpster and recycle bins in the event of damages due to Service Provider's operations, vandalism, accidents, and storms or otherwise within twenty-four (24) hours of notification without additional cost to the District.

Service Provider shall ensure that all materials, supplies, and equipment are suitable for the job and that they will not harm the surfaces on which they are used. The District reserves the right to reject any equipment, material, and supplies the Service Provider may propose to use under this agreement.

Service Provider shall reimburse the District for any damages caused by the operation of the Service Provider's equipment on District facilities.

**ATTACHMENT B  
COMPENSATION & INVOICING  
San Diego Unified Port District**

**1. COMPENSATION**

a. For the satisfactory performance and completion of the services under this Agreement, District shall pay Service Provider compensation as set forth hereunder.

(1) Service Provider shall be compensated and reimbursed by District on the basis of invoices submitted each month for services performed during the preceding month. Task Authorizations and corresponding invoices shall be on a Fixed Fee basis. Each invoice shall include:

Date work performed;  
Description of the work performed;  
Percent of total work being invoiced;  
Percent of total work completed;  
Direct Costs.

(2) Services shall be invoiced in accordance with the **Fee Schedule** listed on the following pages. Other Fees not listed below may be authorized by District Task Authorization.

### (3) Reimbursable Expenses

Sub-Service Provider Costs	0% mark-up
Direct Costs	At Cost (zero mark-up)

**Note:** Reimbursement for direct costs in excess of \$50.00 shall require the advance written approval by District's Project Manager. All other project related direct costs shall require appropriate documentation for reimbursement.

## 2. **INVOICING**

- a. **Payment Documentation.** As a prerequisite to payment for services, Service Provider shall invoice District for services performed and for reimbursable expenses authorized by this Agreement, accompanied by such records, receipts and forms as required.
- b. Service Provider shall include the following information on each invoice submitted for payment by District, in addition to the information required in Section I, above:
  - (1) Agreement No. 85-2018MA
  - (2) The Task Authorization (TA) number(s) being charged.
  - (3) The following certification phrase, with printed name, title and signature of Service Provider's project manager or designated representative:  
  
 "I certify under penalty of perjury that the above statement is just and correct according to the terms of Document No. \_\_\_\_\_, and that payment has not been received."
  - (4) Dates of service provided
  - (5) Date of invoice
  - (6) A unique invoice number
- c. District shall, at its discretion, return to Service Provider, without payment, any invoice, which has been submitted without the above information and certification phrase.
- d. Invoices shall be mailed to: General Services Department, Attn: Invoice Processing Center, San Diego Unified Port District, P.O. Box 120488, San Diego, CA 92112-0488.
- e. Should District contest any portion of an invoice, that portion shall be held for resolution, but the uncontested balance shall be processed for payment. District may, at any time, conduct an audit of any and all records kept by Service Provider for the Services. Any overpayment discovered in such an audit may be charged against the Service Provider's future invoices and any retention funds.
- f. Service Provider shall submit all invoices within thirty (30) days of completion of work represented by the request and within sixty (60) days of incurring costs to be reimbursed under the Agreement. Payment will be made to Service Provider within thirty (30) days after receipt by District of a proper invoice.
