Re: Certification of San Diego Port District PMPA PMP-6-PSD-18-0001-1
(Bayside Performance Park)

Dear Ms. Coniglio:

On November 8, 2018, the California Coastal Commission approved the above referenced Port Master Plan Amendment as submitted. In its action, the Commission certified the request to amend the District's certified Port Master Plan to allow for the construction and operation of a permanent performance venue, the Bayside Performance Park, at Embarcadero Mariana Park South in San Diego.

We appreciate you and the District staff members who assisted in this planning effort, and remain available to you and your staff in any way possible to continue the successful implementation of the Port Master Plan.

Sincerely,
