## EHP DOCUMENTATION MEMO

Date: January 25, 2018  
Memo to: Grant File

From: Kevin Groves  
Transportation Infrastructure Support Branch  
FEMA/Grant Development and Administration (GDA)

Subject: Grant No.: **EMW-2017-PU-00621**  
Grant Recipient: San Diego Harbor Patrol  
Project Location: San Diego, CA  
Project Type/Cost: Patrol Maintenance  
Patrol Vessel Data Comms System  
SCUBA Dive Equipment

---

The above-referenced project has been reviewed by GPD for compliance with environmental and historic preservation requirements as follows:

☒ **This is a Type A project** and it has been determined that no extraordinary circumstances defined in 2 CFR 215 CFR 10.8(d)(e) exist regarding this action. **No further review is required at this time.** The project involves (check all that apply):

- ☒ A1. Purchase of equipment, including **vehicles**, boats, ID cards, handheld or portable equipment, navigation or communications equipment, or other supplies for mobile units.
- ☐ A2. Classroom and web-based training, conferences and workshops conducted within enclosed facilities.
- ☐ A3. Personnel, administrative, fiscal and management activities that involve no resources other than manpower and/or funding.
- ☐ A4. Installation of security measures on mobile units (buses, train cars, ferries, etc.) that are less than 50 years older and are not nationally landmarks.
- ☐ A5. Development, revision, documentation, and/or distribution of regulations, directives, manuals, information bulletins, and other guidance documents.
- ☐ A6. Technical assistance activities that involve no resources other than manpower and/or funding
- ☐ A7. Training activities and exercises that use existing facilities, established and approved procedures, and conform with existing land use designations.
- ☐ A8. Other: (specify) \_\_\_\_\_

☐ This is a Type A project, but the Categorical Exclusion does not apply due to extraordinary circumstances, and is being submitted for EHP review.

☐ **This is a Type B project** and it has been determined that no extraordinary circumstances exist regarding this action, as defined in 44 CFR 10.8(d)(3). No further review is required at this time. In addition to the criteria listed below, the project involves (*check all that apply*) and meets the specified conditions:

- Project does not directly or indirectly involve any new ground disturbing activities such as utility/ sewer/electric lines or other underground conduits, fencing, gates, poles, foundations, etc.
- Project does not involve new construction (Emergency Operations Centers, guard stations, fire stations, equipment shed, dock/wharf, communications tower, etc.
- Project does not involve the use of hazmat chemical/biological agents, explosives, fire, sonar, or other material that could alter the environment.

☐ B1. Security and surveillance equipment – including but not limited to closed-circuit television (CCTV) camera, motion detector systems, and ID card readers. Conditions:

- Must utilize existing infrastructure for electrical distribution systems and equipment placement.
- Ground disturbance is limited to areas previously disturbed within the existing footprint.
- Equipment must be installed in or on structures that are less than 50 years old.
- Equipment must be installed outside the Area of Potential Effects (APE) of any structure 50 years or older.

☐ B2. Physical security enhancements – including but not limited to lighting, barriers, fencing, poles, and gates. Conditions:

- Must involve only the replacement/upgrade of existing infrastructure.
- Ground disturbance is limited to areas previously disturbed within the existing footprint.
- Must substantially conform to the preexisting design and function.
- Equipment must be installed outside the APE of any structure 50 years or older.

☐ B3. Installation of generators. Conditions:

- Must be installed on existing infrastructure.
- Must only supply power to buildings that are less than 50 years old.
- Ground disturbance is limited to areas previously disturbed within the existing footprint.
- Equipment must be installed outside the APE of any structure 50 years or older.

☐ **This is a Type B project**, but the Categorical Exclusion does not apply due to extraordinary circumstances, and is being submitted for EHP review.

Explanation: \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

☐ **This is a Type C project**; it is being submitted to EHP for approval.

APPROVED (Type B CATEX):
