WHEREAS, at the July 14, 2015 Board of Port Commissioners (BPC) meeting, the BPC directed staff to issue a request for Statements of Interest, Qualifications and Vision (SOIQV) for the redevelopment of approximately 48 acres within the East Basin Industrial Subarea of Planning District 2; and

WHEREAS, at its October 6, 2015 meeting, the BPC directed staff to include an approximately 7-acre parcel of land adjacent to the East Basin Industrial Subarea known as the “Elbow Parcel” (Elbow Parcel) resulting in a total approximately 55-acre redevelopment site on East Harbor Island (Site) for the SOIQV; and

WHEREAS, at the September 8, 2016 BPC meeting, the BPC divided development of the Site with the Sunroad ENA covering the Elbow Parcel and the OliverMcMillan Harbor Island, LLC Exclusive Negotiating Agreement (OM ENA) covering the remaining 48 acres of the 55-acre Site; and

WHEREAS, staff entered into the Sunroad ENA and OM ENA in Spring 2017; and

WHEREAS, Sunroad’s ENA was for an initial term of nine months in large part due to Sunroad stating that it had a shovel-ready project that did not require a Port Master Plan Amendment (PMPA) and was ready to build; and

WHEREAS, staff has extended the Sunroad ENA six times for a total of 390 days; and

WHEREAS, the negotiating period under the Sunroad ENA, originally scheduled to expire December 31, 2017, has been extended to January 25, 2019; and

WHEREAS, the Port Master Plan (PMP) designates the Elbow Parcel for development of “a high quality hotel of approximately 500 rooms...sited to be responsive to views of San Diego Bay, the airport, and the downtown San Diego

skyline. Maximum building heights establish consistency with aircraft approach paths. The hotel complex includes restaurant, cocktail lounge, meeting and conference space, recreational facilities, including piers, and ancillary uses" (PMP, page 53); and

WHEREAS, development of the Elbow Parcel is listed on the appealable project list as a "HOTEL COMPLEX: up to 500 rooms, restaurant, cocktail lounge, meeting and conference space; parking; landscape" (PMP, page 57); and

WHEREAS, Sunroad had two submittals under Section 5 of the Sunroad ENA with the (1) First Submittal requiring a preliminary project description, a preliminary site plan, and a preliminary development cost estimate and pro forma financial analysis; and (2) Second Submittal requiring a detailed project description, a detailed site plan, elevations, renderings, detailed development cost estimates and pro forma financial analysis; and

WHEREAS, based on the First and Second Submittals, Sunroad proposes a two-phased, dual-branded, 500 room hotel with the first phase comprised of 325 rooms and the second phase comprised of 175 rooms; and

WHEREAS, the BPC has provided feedback to Sunroad at multiple meetings over the course of this year and Sunroad has continued to meet with staff to revise its proposed development to be consistent with the requirements under the Sunroad ENA; and

WHEREAS, staff has expressed its concerns to Sunroad that Sunroad's proposed development may not be consistent with the PMP because it includes multiple phases; and

WHEREAS, Sunroad's proposed development does not address all of the BPC's and staff's concerns discussed to date; and

WHEREAS, it is up to the BPC to interpret the language of the PMP and whether the proposed development may or may not be consistent with the PMP; and

WHEREAS, staff believes there is a path to achieving the mutual goals of the District and Sunroad through an amendment of the Sunroad ENA that deletes the requirement in Section 5(b)(i)(5) that the proposed development conform to the Sunroad Harbor Island Hotel Project & East Harbor Island Subarea PMPA Revised Final Environmental Impact Report on file with the Office of the District Clerk bearing Document No. 61775, the Mitigation Monitoring and Reporting Program from the aforementioned Final Environmental Impact Report on file in the Office of the District Clerk bearing Document No. 61775, and Findings of Fact and Statement of Overriding Considerations adopted by the BPC pursuant to

Resolution No. 2014-52 (collectively, the 2013 EIR) and incorporates certain criteria recommended by staff (detailed below) to address comments from the BPC and staff; and

WHEREAS, staff recommends Sunroad submit a hotel development with 450 to 500 rooms built in one phase for staff's and BPC's consideration; and

WHEREAS, staff recommends reducing the number of hotel buildings to one or two from three to address comments received from the BPC that the bulk of the three buildings spread across the Elbow Parcel has the effect of walling off the Bay; and

WHEREAS, staff recommends a better parking design that integrates with the Elbow Parcel and does not create an uninviting visual barrier to further reduce the walling off effect allowing the public to feel more welcome to cross through the Elbow Parcel; and

WHEREAS, staff recommends creating temporary and permanent mini destination areas throughout the Elbow Parcel to draw the public to and through the Elbow Parcel by creating pedestrian-oriented amenities and activating uses, including on the ground level; and

WHEREAS, staff recommends that Sunroad propose a proposed development for staff's and BPC's consideration that uses an upscale hotel brand such as AC Hotels by Marriott, Element, Aloft, Hyatt Place, Hyatt House, Hilton Hotels & Resorts, Curio- a Collection by Hilton, Tapestry Collection by Hilton, or Swissotel; and

WHEREAS, staff recommends that Sunroad propose a proposed development for staff's and BPC's consideration that incorporates any other feedback received from the BPC during the January 16, 2019 BPC meeting; and

WHEREAS, staff recommends the deletion of the requirement in Section 5(b)(i)(5) that the proposed development be in conformance with the 2013 EIR; and

WHEREAS, staff requests that the BPC provide feedback to staff on the redevelopment of the Elbow Parcel and direct staff to negotiate an amendment with Sunroad to the Sunroad ENA that requires Sunroad to submit in 120 days a revised Second Submittal pursuant to the proposed revised Section 5(b) of the Sunroad ENA which includes the staff recommended deletion and additions detailed above; and

mitigation measures, any project alternative, including the no project alternative and a Statement of Overriding Considerations, if applicable, in the future.

NOW, THEREFORE, BE IT RESOLVED by the Board of Port Commissioners (BPC) of the San Diego Unified Port District as follows:

THEREFORE, BE IT FURTHER RESOLVED, that the Executive Director or her designated representative is hereby directed to negotiate an amendment with Sunroad HIE Hotel Partners, L.P.
