EASEMENT FOR UTILITY PURPOSES

1. **Grant of Easement:** SAN DIEGO UNIFIED PORT DISTRICT, a public corporation ("Grantor"), for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, grants to SAN DIEGO GAS & ELECTRIC COMPANY, a California corporation ("Grantee"), an easement for utility purposes ("Easement") in, on, over, under, across and through the following property located in the County of San Diego, State of California:

Approximately 2,042 square feet of tideland area located on 19th Street and Tidelands Avenue in the city of National City, California, designated as Project Number 460388-080 and Work Order Number 1006111 by Grantee and more particularly described and delineated on Grantee's Drawing, attached hereto as Exhibits "A" and "B" and by this reference made a part hereof ("Easement Area").

2. **Easement Uses:** Grantee shall have the right to use the Easement Area to excavate for, lay, erect, construct, build, install, modify, improve, rebuild, reconstruct, relocate, reconfigure, repair, replace, substitute, change the size of, upgrade, maintain, patrol, inspect, test, operate, use and remove facilities consisting of underground facilities for the transmission and distribution of natural gas and related public utility purposes, together with all fixtures, equipment and appurtenances necessary or convenient for the maintenance, operation and use thereof (collectively, "Facilities"); provided, however, that Grantee shall not grant to third parties any right to attach or install telecommunications, wireless or other communication facilities within the Easement Area.

3. **Access:** Grantee is further granted the right of ingress and egress to, from and along the Easement Area via practical routes across the adjacent lands of Grantor; provided that Grantee shall exercise such ingress and egress rights in a reasonable manner designed to minimize interference with Grantor's and/or any lessee's activities within such adjacent lands.
4. **Term:** The term of this Easement ("Term") shall be for a period of thirty (30) years commencing on March 15, 2019 ("Commencement Date") and ending on March 14, 2049 ("Expiration Date"), unless sooner terminated as herein provided. Grantor shall use good faith efforts to deliver written notice of the pending expiration of the Easement to Grantee not less than six (6) months prior to the Expiration Date.
5. **Rent:** As and for the rent, Grantee agrees to pay Grantor a one-time rent payment in the amount of Fifty One Thousand Three Hundred Eighty-three (\$51,383) Dollars. Said rent shall be due on or before the commencement date of this Easement.

All payments shall be delivered to the San Diego Unified Port District, Finance Department, 3165 Pacific Highway, San Diego, California, 92101. Checks must be made payable to the San Diego Unified Port District and can be hand delivered to the above address or mailed to the San Diego Unified Port District, Finance Department, Post Office Box 120488, San Diego, California 92112-0488. The designated place of payment and filing may be changed at any time by Grantor upon ten (10) days' written notice to Grantee. Grantee assumes all risk of loss and responsibilities for late charges, as herein described, if payments are made by mail.

Grantee hereby acknowledges that late payment by Grantee to Grantor of rent and other sums due hereunder will cause Grantor to incur costs not contemplated by this Easement. Accordingly, in the event Grantee is delinquent in remitting the rent due in accordance with the rent provisions of this Easement, Grantee shall pay, in addition to the unpaid rent, five percent (5%) of the delinquent rent. If rent is still unpaid at the end of fifteen (15) days, Grantee shall pay an additional five percent (5%) [being a total of ten percent (10%)]. The parties hereby agree that said late charges are appropriate to compensate Grantor for loss resulting from rent delinquency including, without limitation, lost interest, opportunities, legal costs, and the cost of servicing the delinquent account.

Acceptance of such late charges and any portion of the late payment by Grantor shall in no event constitute a waiver of Grantee's default with respect to such overdue amount, nor prevent Grantor from exercising any of its other rights and remedies. The Executive Director of Grantor shall have the right to waive for good cause any late charges upon written application of Grantee for any such delinquency period.

All payments by Grantee to Grantor shall be by a good and sufficient check. No payment made by Grantee or receipt or acceptance by Grantor of a lesser amount than the correct amount of rent due under this Easement shall be deemed to be other than a payment on account of the earliest rent due hereunder, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and Grantor may accept such check or payment without prejudice to Grantor's right to recover the balance or pursue any other available remedy.

6. **Grantee's Improvements and Repairs:** The initial construction of the facilities shall not commence without the prior written approval of the plans and specifications by Grantor, which shall not be unreasonably withheld, delayed, and/or conditioned. Subsequent reconstruction, reconfiguring, replacement, substitutions, changes, upgrades and/or repairs of the Facilities may require Grantor's written approval; therefore, Grantee shall use commercially reasonable efforts to notify Grantor and/or any lessee of such work in order for the District to determine whether prior written approval(s) from the District are required, and to minimize interference with the Grantor's and/or such lessee's activities within the Easement Area.

In the case of emergency repairs that constitute an "emergency development"^[1] and are undertaken to protect life, public health and safety, and property or to maintain public and private services, Grantee shall immediately commence repairs and give Grantor written notification within 24 hours of the commencement of said emergency repair so that the Grantor can inspect the Easement Area solely for compliance with the terms and conditions of this Easement. Facilities installed pursuant to this Easement shall be constructed in a good and workmanlike manner and shall conform to all applicable laws and regulations. Non-material violations of applicable laws and regulations shall not constitute a default under this Easement, provided that Grantee cures or commences to cure such violation within thirty (30) calendar days after receiving actual notice of such violation and diligently prosecutes such cure to completion.

^[1] Emergency developments, as defined in the District's Coastal Development Permit Regulations (filed in the Office of the District Clerk as Document No. 19171) are those necessary to maintain, repair, restore, demolish, protect, or replace property or facilities damaged, destroyed, or threatened by imminent danger from a sudden, unexpected occurrence, which demands immediate action to prevent or mitigate loss of, or damage to, life, health, property, or essential public services. Emergency includes, but is not limited to, such occurrences as fire, flood, windstorm, earthquake, or other soil or geologic movements, as well as occurrences as riot, accident, or sabotage.

7. **Excavations:**

- A. **By Grantee:** In making any excavations within the Easement Area, Grantee shall make the excavation in a manner designed to cause the least injury to the surface of the ground around such excavation, and shall replace the earth so removed by it and restore the surface of the ground and any improvement thereof to as near the same condition as existed immediately prior to such excavation to the extent it is practicable to do.
- B. **By Grantor:** Conduits carry high voltage electrical conductors, and pipelines may carry volatile materials; therefore, Grantor shall not make any excavation or penetrate the ground in any manner within the Easement Area without first obtaining Grantee's prior written permission, which permission shall not be unreasonably withheld, delayed or conditioned. Prior to making any excavation or penetrating the ground in any manner within the Easement Area, Grantor shall contact Dig Alert at 800-227-2600 to mark out the locations of all underground Facilities.

8. **Protective Barriers:** Subject to Grantor's written approval, which shall not be unreasonably withheld, delayed or conditioned, Grantee shall have the right to erect, build, construct, install and maintain within the Easement Area, such equipment, traffic barriers and minor earth retaining structures as Grantee deems necessary for the erection, building, construction, installation, maintenance, operation, use and protection of Grantee's Facilities.

9. **Grantor's Improvements:** From and after the date that this Easement is fully executed by Grantor and Grantee (the "Execution Date"), Grantor shall not, without the prior written consent of Grantee, which consent shall not be unreasonably withheld, delayed or conditioned, (A) erect, build, install, place or construct any building or structure within the Easement Area, (B) plant any tree or other deep-rooted growth within the Easement Area, or (C) drill or dig any well, pond or lake within the Easement Area, or (D) store or place any explosive, toxic, or hazardous materials within the Easement Area. Grantor and Grantee hereby agree that the preceding sentence shall not apply to any period after the Commencement Date but before the Execution Date. Subject to the prior review and written approval by Grantee of Grantor's improvement plans and specifications, which approval shall not be unreasonably withheld, delayed or conditioned (but which shall consider Grantee's need to provide adequate protection for the Facilities in accordance with pertinent General Orders of the Public Utilities Commission of the State of California), Grantor retains the right to construct, reconstruct and maintain aboveground improvements that shall not interfere with or cause damage to Grantee's Facilities, including, but not limited

to, fences, landscaping with shallow roots (e.g., grass) sidewalks, curbs, gutters, and street and parking lot surfaces or other surfaces; provided that such aboveground improvements do not require excavation and/or grading to a depth of more than eighteen (18) inches within the Easement Area (the "Permitted Improvements").

10. **Ground Surface Elevations:** Grantor shall not increase or decrease the ground surface elevations within this Easement Area after installation of the Facilities, without prior written consent of Grantee, which consent shall not be unreasonably withheld, delayed or conditioned.

11. **Grantee's Rights:** Grantee shall have all rights and powers, but is not hereby obligated to: (A) keep the Easement free and clear from (i) buildings and structures, (ii) trees and/or other deep-rooted growths, (iii) wells, ponds and/or lakes, and/or (iv) explosive, toxic and/or hazardous materials; and (B) trim, prune, cut, maintain and/or remove trees, deep-rooted growths, foliage and/or brush along or adjacent to the Easement Area and remove roots from within the Easement Area whenever Grantee deems it necessary, provided that Grantee shall use commercially reasonable efforts to notify Grantor and/or any lessee of such work if such notice is necessary, as determined by Grantee, to minimize interference with Grantor's and/or any lessee's activities within the Easement Area. Said right shall not relieve Grantor of any obligation it may have as the fee owner to trim or remove trees and brush to prevent danger or hazard to property or persons.

12. **Facilities Relocation:**
 - a. **Grantor-Requested Relocations:** If, during the Term of this Easement, Grantor desires Grantee to relocate all or part of its Facilities, then Grantor shall provide another easement in a location satisfactory to Grantee for the placement of its Facilities upon the same terms and conditions of this Easement, except for property location, and shall reimburse Grantee for the actual cost of Grantee relocating its Facilities, and Grantee shall reconvey the portion of the Easement previously required for such relocated Facilities within ninety (90) days after receipt of Grantor's written request. Upon the expiration of the Term or earlier termination of the Easement, Grantee shall inform Grantor regarding Grantee's proposed course of action with respect to the removal and/or abandonment of the Facilities within the Easement Area, and Grantor shall approve or disapprove such course of action within thirty (30) calendar days, provided that Grantor's approval shall not be unreasonably withheld, conditioned or delayed, and provided, further, that if Grantor fails to approve or disapprove such course of action within said thirty (30) calendar day

period, then Grantor shall be conclusively deemed to have approved such course of action. So long as Grantor has approved the course of action proposed by Grantee in accordance with the preceding sentence, Grantor shall release Grantee from any and all liability arising from any Facilities abandoned in place within the Easement Area. If Grantee abandons any Facilities in place upon the expiration of the Term or termination or extinguishment of this Easement, and thereafter Grantor or its lessee desires Grantee to relocate all or part of such Facilities because Grantor or its lessee has determined that all or part of the Facilities interfere with future development of Grantor's property, Grantee shall, within one hundred eighty (180) days after receipt of Grantor's written notice and demand for removal of all or part of such Facilities, remove such Facilities, at Grantor's or such lessee's sole cost.

- b. Grantee Relocations: If Grantee desires to relocate its Facilities, Grantee shall obtain the written approval of Grantor for the new route on Grantor's property and Grantee shall be solely responsible to pay the cost of any such relocation. Grantor agrees that such approval shall not be unreasonably withheld, delayed or conditioned.
13. Non-exclusivity: Grantor shall not grant, transfer, dedicate or convey any additional easements, servitudes or rights-of-way, upon, over and across the Easement Area without Grantee's prior written consent, which shall not be unreasonably withheld, delayed or conditioned. The Easement granted herein shall be subject to all existing rights of leases (and renewals thereof) and encumbrances, recorded and unrecorded, affecting said land. Prior to the Execution Date, Grantor shall give Grantee a reasonable opportunity to review Grantor's records regarding any existing leases and/or encumbrances affecting the Easement Area. Grantor may grant or convey any short-term permits, licenses, Tideland Use and Occupancy Permits, leases, or interests in real property at its full discretion so long as said transfer or grants do not conflict with Grantee's rights, access, and maintenance granted herein.
14. Indemnification: Grantee shall at all times indemnify and save harmless Grantor from and against and pay in full any and all loss, damage or expense (collectively "Claims") that Grantor sustains, incurs or is liable for including any and all claims, loss, damage or expense arising out of (A) Grantee's actions with respect to this Easement, excepting any Claims resulting from the negligence or intentional acts of Grantor, its contractors, subcontractors, officers, agents, representatives, invitees, licensees and/or employees; and/or (B) including injury to or death of persons resulting in any manner from Grantee's actions with respect to this Easement, excepting any Claims resulting from the negligence or intentional acts of Grantor, its contractors,

subcontractors, officers, agents, representatives, invitees, licensees and/or employees.

15. **Compliance with Prevailing Wage Laws:** Grantee acknowledges and agrees that: (1) it is the sole and exclusive responsibility of the Grantee, and not Grantor, to ensure that all persons and/or entities who provide any labor, services and/or equipment in connection with any construction or work of improvement on any land or water areas occupied by Grantee, shall comply with the requirements of California's prevailing wages laws (the "PWL"); and (2) it is the sole and exclusive responsibility of Grantee, and not Grantor, to determine whether such construction or work of improvement is subject to the PWL by obtaining a determination by means that do not involve Grantor. If such construction or work of improvement is determined to be subject to the PWL, Grantee shall comply with all applicable provisions of the PWL, and shall ensure that all persons and/or entities who provide any labor, services, equipment and/or materials in connection with such construction or work of improvement shall likewise comply with all applicable provisions of the PWL.
16. **Property Taxes:** This Easement may result in a taxable possessory interest subject to the payment of property taxes. Grantee agrees to and shall pay before delinquency all taxes and assessments of any kind assessed or levied upon Grantee for franchises, licenses or permits for any use or activities of Grantee upon the Easement.
17. **Abandonment of Easement:** If Grantee, in its sole discretion, determines that this Easement is no longer required for the conduct of its business or if this Easement is abandoned by Grantee, upon receipt of written request from Grantor, Grantee shall furnish Grantor a good and sufficient Quitclaim Deed to Grantor of all of Grantee's right, title and interest in and to this Easement. Notwithstanding the foregoing, if Grantee does not use or abandons the Facilities for a period of five (5) years, Grantor shall have the right to terminate this Easement, and upon receipt of written request from Grantor, Grantee shall provide Grantor a Quitclaim Deed as described above.
18. **Removal of Improvements:** Upon the expiration of the Term or earlier termination of the Easement, Grantee shall inform Grantor regarding Grantee's proposed course of action with respect to the removal and/or abandonment of the Facilities within the Easement Area, and Grantor shall approve or disapprove such course of action within thirty (30) calendar days, provided that Grantor's approval shall not be unreasonably withheld, conditioned or delayed, and provided, further, that if Grantor fails to approve or disapprove such course of action within said thirty (30) calendar day

period, then Grantor shall be conclusively deemed to have approved such course of action. So long as Grantor has approved the course of action proposed by Grantee in accordance with the preceding sentence, Grantor shall release Grantee from any and all liability arising from any Facilities abandoned in place within the Easement Area.

19. **Holdover:** Any holding over by Grantee after either expiration or termination shall not constitute a renewal or extension, or give Grantee any rights in or to the Easement, and if Grantee, with Grantor's consent, remains in possession of the Easement Area after Easement expiration or termination, such possession shall be deemed a month-to-month extension terminable upon thirty (30) days' written notice furnished at any time by either party to the other.
20. **Notices:** All notices provided for by this Easement or by law to be given or served upon Grantor or Grantee shall be in writing and: (A) personally served upon Grantor or Grantee, or any person hereafter authorized by either party in writing to receive such notice, or (B) served by certified letter or reputable overnight courier addressed to the appropriate address hereinafter set forth, or to such other address designated in writing by the respective party.

To Grantor

Director, Real Estate
San Diego Unified Port District
Post Office Box 120488
San Diego, CA 92112-0488

To Grantee

Land Services Manager
San Diego Gas & Electric Company
8335 Century Park Court, CP12A
San Diego, CA 92123

Any notice or notices given or served as provided herein shall be effectual and binding for all purposes upon the parties so served; provided, however, if served by certified mail, service will be considered completed and binding on the party served two (2) business days after deposit in the U.S. Mail and if by overnight courier, service will be considered completed and binding on the party served one (1) business day after deposit with such overnight courier.

21. **Assignment – Subagreements:** Grantee shall not assign or transfer the Easement, enter into subagreements, or permit the occupancy of all or any part of the Easement Area without the prior written consent of the Grantor. Notwithstanding the foregoing sentence, Grantee may assign the Easement to (a) any entity controlling, controlled by or under common control with Grantee in connection with any corporate reorganization or restructuring, (b) the surviving entity in the event of any merger with or by Grantee, and/or (c) the acquiring entity in the event of any sale of a majority of Grantee's shares or all or substantially all of Grantee's assets.

22. **Binding Covenants:** This Easement and any covenants, conditions, and restrictions contained herein, shall run with the land, and be binding upon and inure to the benefit of the successors, heirs, executors, administrators, permittees, licensees, agents and assigns of Grantor and Grantee.
23. **Attorneys' Fees:** If either party files any action or brings any proceeding against the other arising from or related to this Easement, the prevailing party shall be entitled to recover from the other party as an element of its costs of suit and not as damages, reasonable attorneys' fees (including fees for in-house counsel), costs and expenses incurred in the action or proceeding, including any appeal thereof. The "prevailing party" within the meaning of this Paragraph 23 shall be the party to the action or proceeding who is entitled to recover its costs of suit for the proceeding, whether or not the same proceeds to final judgment. A party not entitled to recover its costs shall not recover attorneys' fees.
24. **Amendment:** This Easement may be amended or modified only by an instrument duly executed by the Grantor and consented to in writing by Grantee.
25. **Severability:** If any term or provision of this Easement or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Easement or the application of such term or provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Easement shall be valid and be enforced to the fullest extent permitted by law.
26. **Applicable Laws:** This Easement shall be construed, interpreted and determined in accordance with the laws of the State of California without reference to its choice of law provisions.
27. **Time is of the Essence:** Grantor and Grantee hereby agree that time is of the essence with respect to this Easement.
28. **Effectiveness:** It is an express condition of this Easement that the Easement shall not be complete or effective until signed by Grantor and Grantee.

(CONTINUED ON NEXT PAGE)

29. **Counterparts:** This Easement may be executed in counterparts, each of which shall be deemed an original, and all of which, taken together, shall constitute one and the same instrument.
