

**PORT OF SAN DIEGO
Environmental Advisory Committee
2019 Work Plan**

Purpose of the Environmental Advisory Committee:

Advise the Board of Port Commissioners on programs, policies and projects that would ensure the protection and improvement of the environmental conditions of San Diego Bay and surrounding tidelands.

Port Compass Strategic Goals Supported by the Committee:

- A Port that the public understands, trusts, and values
- A Port with a healthy and sustainable bay and its environment
- A Port with a comprehensive vision for Port land and water uses integrated to regional plans
