

at the Don L. Nay Port Administration Building (located at 3165 Pacific Highway, San Diego, California 92101) whenever requested to do so by District. However, Design Professional shall have the right to make duplicate copies of such materials and documents for its own file, or other purposes as may be expressly authorized in writing by District. Said materials and documents prepared or acquired by Design Professional pursuant to this Agreement (including any duplicate copies kept by the Design Professional) shall not be shown to any other public or private person or entity, except as authorized by District. Design Professional shall not disclose to any other public or private person or entity any information regarding the activities of District, except as expressly authorized in writing by District.

17. **TERMINATION**. In addition to any other rights and remedies allowed by law, the Executive Director (President/CEO) of District may terminate this Agreement at any time with or without cause by giving thirty (30) days written notice to Design Professional of such termination and specifying the effective date thereof. In that event, all finished or unfinished documents and other materials shall at the option of District be delivered by Design Professional to the Don L. Nay Port Administration Building (located at 3165 Pacific Highway, San Diego, California 92101). Termination of this Agreement by Executive Director (President/CEO) as provided in this paragraph shall release District from any further fee or claim hereunder by Design Professional other than the fee earned for services which were performed prior to termination but not yet paid. Said fee shall be calculated and based on the schedule as provided in this Agreement.

18. **DISPUTE RESOLUTION**

a. If a dispute arises out of or relates to this Agreement, or the alleged breach thereof, and is not settled by direct negotiation or such other procedures as may be agreed, and if such dispute is not otherwise time barred, the parties agree to first try in good faith to settle the dispute amicably by mediation administered at San Diego, California, by the American Arbitration Association, or by such other provider as the parties may mutually select, prior to initiating any litigation or arbitration. Notice of any such dispute must

be filed in writing with the other party within a reasonable time after the dispute has arisen. Any resultant Agreements shall be documented and may be used as the basis for an amendment or directive as appropriate.

- b. If mediation is unsuccessful in settling all disputes that are not otherwise time barred, and if both parties agree, any still unresolved disputes may be resolved by arbitration administered at San Diego, California, by the American Arbitration Association, or by such other provider as the parties may mutually select, provided, however, that the Arbitration Award shall be non-binding and advisory only. Any resultant Agreements shall be documented and may be used as the basis for an amendment or directive as appropriate. On demand of the arbitrator or any party to this Agreement, Sub-Design Professional and all parties bound by this arbitration provision agree to join in and become parties to the arbitration proceeding.
 - c. The foregoing mediation and arbitration procedures notwithstanding, all claim filing requirements of the Agreement documents, the California Government Code, and otherwise, shall remain in full force and effect regardless of whether or not such dispute avoidance and resolution procedures have been implemented, and the time periods within which claims are to be filed or presented to the District Clerk as required by said Agreement, Government Code, and otherwise, shall not be waived, extended or tolled thereby. If a claim is not timely filed or presented, such claim shall be time barred and the above dispute avoidance and resolution procedures, whether or not implemented or then pending, shall likewise be time barred as to such claims.
19. **PAYMENT BY DISTRICT.** Payment by the District pursuant to this Agreement does not represent that the District has made a detailed examination, audit, or arithmetic verification of the documentation submitted for payment by the Design Professional, made an exhaustive inspection to check the quality or quantity of the services performed by the Design Professional, made an examination to ascertain how or for what purpose the Design Professional has used money previously paid

on account by the District, or constitute a waiver of claims against the Design Professional by the District. The District may in its sole discretion withhold payments or seek reimbursement from the Design Professional for expenses, miscellaneous charges, or other liabilities or increased costs incurred or anticipated by the District which are the fault of or as result of work performed or negligent conduct by or on behalf of the Design Professional. Upon five (5) day written notice to the Design Professional, the District shall have the right to estimate the amount of expenses, miscellaneous charges, or other liabilities or increased costs and to cause the Design Professional to pay the same; and the amount due the Design Professional under this Agreement or the whole or so much of the money due or to become due to the Design Professional under this Agreement as may be considered reasonably necessary by the District shall be retained by the District until such expenses, miscellaneous charges, or other liabilities or increased costs shall have been corrected or otherwise disposed of by the Design Professional at no expense to the District. If such expenses, miscellaneous charges, or other liabilities or increased costs are not corrected or otherwise disposed of at no expense to the District prior to completion date of the Agreement, the District is authorized to pay for such expenses, miscellaneous charges, or other liabilities or increased costs from the amounts retained as outlined above or to seek reimbursement of same from the Design Professional. It is the express intent of the parties to this Agreement to protect the District from loss because of conduct by or on behalf of the Design Professional.

20. **COMPLIANCE WITH PREVAILING WAGE LAWS (IF APPLICABLE)**

- a. Design Professional acknowledges and agrees that it is the sole and exclusive responsibility of Design Professional to: (a) ensure that all persons and/or entities (including, but not limited to, Design Professional or Subcontractors) who provide any labor, services, equipment and/or materials (collectively, "Services") in connection with any work shall comply with the requirements of California's and any other prevailing wage laws ("PWL") to the extent such laws are applicable and (b) determine whether

any Services are subject to the PWL by obtaining a determination by means that do not involve the District.

- b. Certified Payrolls. Design Professional acknowledges and agrees that it is the sole and exclusive responsibility of the Design Professional to ensure that all certified payrolls are provided to the District. Design Professional shall submit certified payrolls electronically via the software LCPtracker.
- (1) LCPtracker is a web-based system, accessed on the World Wide Web by a web browser. Design Professional will be given a Log-On identification and password to access the San Diego Unified Port District's reporting system upon Design Professional's request.
 - (2) The use of LCPtracker by the Design Professional is mandatory. Access to LCPtracker will be provided at no cost to the Design Professional.
 - (3) In order to utilize LCPtracker, the Design Professional needs a computer and internet access. A digital camera and a scanner may be useful. For more information, go to www.lcptracker.com. To Login, go to www.lcptracker.net and from the homepage, select LOGIN and enter the Username and Password that will be provided to you by the District upon Design Professional's request.
 - (4) Use of the system will entail data entry of weekly payroll information including; employee identification, labor classification, total hours worked and hours worked on this project, wage and benefit rates paid etc. The Design Professional's payroll and accounting software might be capable of generating a 'comma delimited file' that will interface with the software.

- (5) Design Professional must require all lower-tier sub participants the mandatory requirement to use LCPtracker to provide any required labor compliance documentation. Lower-tier sub participants will be given a Log-On identification and password from the Design Professional.
- (6) Training options can be provided to the Design Professional upon request.

21. **DESIGN PROFESSIONAL/CONTRACTOR REGISTRATION PROGRAM (IF APPLICABLE)**

- a. In accordance with the provisions of Labor Code section 1771.1. (a) A contractor or subcontractor shall not be qualified to bid on; be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.
- b. No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- c. No contractor or subcontractor may be awarded a contract for public work on a public works project (awarded on or after April 1, 2015) unless

registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5.

- d. This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.
22. **CAPTIONS.** The captions by which the paragraphs of this Agreement are identified are for convenience only and shall have no effect upon its interpretation.
23. **EQUAL OPPORTUNITY EMPLOYMENT.** Service Provider represents that it is an equal opportunity employer and it shall not discriminate against any subconsultant, employee or applicant for employment because of race, religion, color, national origin, handicap, ancestry, sex, gender, gender expression, sexual orientation, or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

Service Provider will, within forty-five (45) days of the effectiveness of this Agreement, provide a written statement of its commitment to diversity, equity and inclusion, which shall include a commitment and brief description of its plan to implement good faith efforts to recruit subconsultants and employees in a non-discriminatory manner. If Service Provider fails to provide such written statement as required, the District may terminate this Agreement, effective immediately, by providing written notice of such termination. Service Provider shall, not later than sixty (60) days prior to the expiration of each anniversary of the effective date of this Agreement, provide a written report describing Service Provider's actions and results in furtherance of its commitment to diversity, equity, and inclusion. Service Provider's report shall not identify individual subconsultants and employees by name. If Service Provider fails to provide such report as required, the District may terminate this Agreement, effective immediately, by providing written notice of such termination.

24. **EXECUTIVE DIRECTOR'S SIGNATURE.** It is an express condition of this Agreement that said Agreement shall not be complete nor effective until signed by either the Executive Director (President/CEO) or Authorized Designee on behalf of the District and by Authorized Representative of the Design Professional.

ATTACHMENT A SCOPE OF SERVICES

San Diego Unified Port District

1. **SCOPE OF SERVICES.** Design Professional may be requested to provide services on an as-needed basis.
 - a. Services may include, but are not limited to, assistance with project management, construction management, general engineering, public works contract administration, field inspection (contract compliance), and administrative support.
 - b. Projects may range from demolition of structures, building alterations, paving removal or improvements, new or upgraded utility systems, new or upgraded life safety and communications systems, parks, environmental enhancement projects, major maintenance for maritime and other public facilities, and related public works. These projects may include requirements for hazardous or regulated materials handling, compliance with outside regulatory agencies, and coordination with utility providers. In addition, the District may assign tasks in support of District managed activities including but not limited to surveying, CADD, base mapping, asset management, cost estimating, condition assessment, major maintenance and capital improvement program planning, specification development, constructability plan checking, administrative support, and similar activities.
 - 1) Tasks may include the following along with other related services that may be requested:
 - a) **Project Management:**
Provide partial to full project management services for the execution of District projects. Responsibilities may include the following along with other related services: development of a basis of design and baseline schedule and budget; oversight of the design efforts for the project; plan check; coordination of permitting; preparation of bid and construction documents, and oversight of the bid process, construction and close-out. The Project Manager responsibilities may include site visits; meetings with District project team and other stakeholders; monitor and report on the progress of project; prepare project documentation; schedule management; cost management and prepare project evaluation/lessons learned.
 - b) **Construction Management:**
Provide partial to full construction management services including construction planning; assistance during bidding; pre-construction meetings; partnering meetings; technical

submittals; on-site inspection and quality control to ensure contract compliance; contract administration; construction correspondence and documentation; evaluation and resolution of contractor inquiries; contract change orders; record drawings and project closeout. The District may request the consultant to assist in providing project controls support in the following areas: cost estimating (construction estimates, review of contractor estimates, etc.); contractor schedule evaluations (periodic review and comment of contractor baseline, schedule updates and extension requests); and construction claims analysis.

c) **Program Management Support:**

Support District Major Maintenance and Capital Improvement Programs planning of future District projects. Responsibilities may include the following along with other related services: project definition and scope development; budget and resource forecasts, preparation of the project charter identifying scope, schedule and budget; project initiation; preliminary engineering; program reporting documentation; development of PowerBI reports, creation of PowerPoint presentation and other electronic media communications.

d) **Asset Management:**

Provide as-needed Asset Management support to the District's Asset Management team. The District may request the consultant to assist in preparation of a Strategic Asset Management Plan, asset data collection, digitizing as-builts, creating GIS information, asset valuation, defining lifecycle maintenance requirements, analyzing levels of service, improving asset classifications, and managing systems integration.

e) **General Engineering:**

As-needed general engineering services may be required for planning, budgeting, prioritizing and designing improvements for a wide variety of District facilities. In addition to providing design engineering services, the following tasks may be required: assistance with project site and background research, including pot-holing; planning, scheduling and estimating; regulatory permit applications, processing and coordination; design review, QA/QC, value engineering; bid and construction document preparation; constructability reviews, construction sequencing and phasing assistance.
