DISCUSSION:

On April 14, 2016 the Board of Port Commissioners (Board) adopted a resolution authorizing the District to enter into an agreement with NMS for Janitorial Services from July 1, 2016 through June 30, 2019 with two 1-year options in an amount not to exceed \$2,458,640.16. The current agreement is in Term 4 (Option Year 1) and will terminate June 30, 2020. Term 5 (Option Year 2), if granted, shall commence on July 1, 2020, and shall terminate on June 30, 2021.

This agreement is used to provide janitorial services at various District buildings, offices and public restrooms located in parks and common public areas throughout the tidelands. Janitorial services may also be requested on an as-needed basis to perform special cleaning requirements associated with public events where normal, scheduled services are not adequate to maintain an acceptable level of cleanliness or sanitation.

The six previous amendments have been issued to cover additional unforeseen janitorial service requirements including the Hepatitis A outbreak and addition of District assets to include the Harbor Police Investigations Building, Tenth Avenue Marine Terminal Tiger Project, and Historic Railcar Museum in National City. These amendments have increased the maximum expenditure from \$2,458,640.16 to \$3,218,600.

Staff is requesting Amendment No. 7 to provide additional as-needed janitorial services at the National City Aquatic Center; Tenth Ave Marine Terminal temporary construction office spaces; and cleaning of the Administrative Building's 8th floor. Each requires periodic janitorial services that are met through as-needed Task Authorizations.

Staff requests Board authorization to execute Amendment No. 7 to the agreement with NMS for Janitorial Services, increasing the total amount by \$80,000 for a new total agreement not-to-exceed amount of \$3,298,600.

General Counsel's Comments:

The Office of the General Counsel has reviewed the agenda and attachment, as presented to it, and approves them as to form and legality.

Environmental Review:

The proposed Board action, including without limitation, a resolution authorizing an amendment to an agreement for janitorial services, does not constitute a "project" under the definition set forth in California Environmental Quality Act (CEQA) Guidelines section 15378 because it would not have a potential to result in a direct or indirect physical change in the environment and therefore, is not subject to CEQA. The Board's authorization of Amendment No. 7 to the agreement with NMS Management, Inc. would allow for additional as needed janitorial services. No further action under CEQA is required.

The proposed Board action is consistent with Section 81 of the Port Act which allows for the use of funds for necessary expenses of conducting the District. The Port Act was enacted by the California Legislature and is consistent with the Public Trust Doctrine. Consequently, the proposed Board action is consistent with the Public Trust Doctrine.

The proposed Board action does not allow for "development," as defined in Section 30106 of the California Coastal Act, or "new development," pursuant to Section 1.a. of the District's Coastal Development Permit (CDP) Regulations. Therefore, issuance of a Coastal Development Permit or exclusion is not required.

Equal Opportunity Program:

Due to unknown subcontracting opportunities, no Small Business Enterprise (SBE) goal was established for this agreement. The recommended company is a registered SBE.
